

391 HEPBURN MODULAR SOFA SYSTEM

By Matthew Hilton

Hepburn is glamorous and light, with a tapered arm and a shallow base raised on slender solid wood legs, and an optional cross detail on the cushions. Almost limitless configurations are possible, with a choice of 4 key modules – corner, seat with backrest, ottoman, and coffee table – attaching to a central beam/leg frame designed to fit one, two, or three modules.

Interested in the idea of impossible lightness, Matthew Hilton tries to create the feeling of greater spaciousness in a room by reducing the visual weight of his furniture. Hepburn Sofa is part of a series of 'impossibly light' products including Hepburn Bed and Light Table.

**MATERIALS**

TIMBER

Black walnut, white oak, or ash with a choice of a clear Danish oil, white oil, or black oil finish. White oak additionally available oxidised; ash additionally available stained or painted in a choice of 10 colours: black, white, bone, ochre, bordeaux, forest, fjord, bay, lagoon, or cove.

UPHOLSTERY

Our full standard range of fabric and leather options. COM and COL available upon request.

**NOTES**

The cushions are available with or without a cross detail, and "plain cushions" or "cross detail cushions" should be specified at time of order.

Refer to the Hepburn Modular Sofa Worksheet for a full list of modules and further information on possible configurations.
