765 FRAME BED

By Neri&Hu

The Frame series explores the architectural concept of tectonics, celebrating the art of construction. It was developed with the objective to create a single frame that could serve all the needs of the product such as a base, legs, and decorative feature. Made from solid wood, the frame's appearance reveals clearly how it is constructed through the visible joinery details. The Frame series includes two beds and a sofa system.

MATERIALS

TIMBER

Black walnut, white oak, or ash with a choice of a clear Danish oil, white oil, or black oil finish. White oak additionally available oxidised; ash additionally available stained or painted in a choice of 10 colours: black, white, bone, ochre, bordeaux, forest, fjord, bay, lagoon, or cove.

UPHOLSTERY

Our full standard range of fabric and leather options. COM and COL available upon request.

NOTES

When using leather to upholster the expansive surface of the headboard, our craftspeople will use their discretion to ensure the natural variations in the hide's colour and grain are most elegantly displayed. This may mean adding stitch lines to the headboard.

Bed base consists of several individual timber slats, set approximately 5cm (2") apart.
