060 ELLIOT DESK/DRESSING TABLE

By Jason Miller

Elliot was inspired by the juxtaposition of old and new design seen in converted Brooklyn brownstones: modern with historical references. A timber frame wraps around two painted hdf drawers which feature brass pulls, dovetail joinery and a soft-close mechanism. Available in two heights for various uses. Part of a family of furniture including a dining table and chair.

MATERIALS

TIMBER

Black walnut, white oak, or ash with a choice of a clear Danish oil, white oil, or black oil finish. White oak additionally available oxidised; ash additionally available stained or painted in a choice of 10 colours: black, white, bone, ochre, bordeaux, forest, fjord, bay, lagoon, or cove.

PAINTED HDF

Painted HDF in a choice of 10 colours: black, white, bone, ochre, bordeaux, forest, fjord, bay, lagoon, or cove with a satin matte or gloss finish.

METAL

Brass drawer pulls.

NOTES

The Elliot Dressing Table is taller to allow the Elliot Chair to tuck underneath. The Elliot Desk is standard desk height and is not tall enough for the Elliot Chair to tuck under.

Drawer interiors are made from basswood, a blond timber with outstanding stability in varying climates, ensuring a smooth-running function. Drawers are detailed with dovetail joinery and a soft-close mechanism.
