454R/L COMPANIONS WRITING DESK

By Studioilse

Companions Writing Desk is a solid wood desk with a removable cork bowl for wires and plugs, and a top that can close to hide away papers and laptops. Cork lines the underside of the hinged tabletop to keep one's most important notes within sight. The narrow frame of the desk allows it to tuck neatly into any corner of the home.

The Companions family of furniture is designed to support daily life. The family also includes a bed and a bedside table in two heights.

MATERIALS

TIMBER

Black walnut, white oak, or ash with a choice of a clear Danish oil, white oil, or black oil finish. White oak additionally available oxidised; ash additionally available stained or painted in a choice of 10 colours: black, white, bone, ochre, bordeaux, forest, fjord, bay, lagoon, or cove.

CORK

Cork bowl.

Comes with one cork bowl with hook that can be specified at time of order for the right or left hand side as preferred. The underside of the hinged tabletop is also cork.

NOTES

The cork bowl has a cutout on either side for a comfortable grip when handling, and for wire management. Wire management holes are also located on the left and right hand sides of the fixed tabletop. This tabletop is punctuated by the wedge tenon joint where the leg intersects the surface.

The hinged tabletop is soft-closing.
