053 CLASSON TALL CHEST

By Jason Miller

Inspired by the juxtaposition of old and new design seen in converted Brooklyn brownstones, Classon Tall Chest is modern with historical references. Polished brass drawer pulls and legs elegantly complement the cabinet body available in painted hdf and a range of timbers and finishes.

Four drawers, detailed with dovetail joinery and a soft-close mechanism, provide generous storage capacity.

Part of a family of storage furniture including a bedside chest, low chest, and sideboard.
