

182 ALBIREO SOFA SYSTEM

By Anthony Guerrée

Albireo Sofa is a flexible seating system with gentle curves and a tall backrest, offering refined style and deep comfort. With just six key modules, Albireo Sofa can achieve numerous configurations with a sense of dynamism brought by the curves of the forms. The upholstered body is punctuated by timber feet and optional timber side tables.

Named after the double star in the constellation Cygnus, Albireo is inspired by Guerrée's recurring dream of spending a starry night in Joshua Tree Park gazing up at the Summer Triangle asterism.
