PRODUCT SHEET

DUOMO RUG
Designed by *Norm Architects*

With its luxe cut loop pile, soft and comfortable under foot, the Duomo Rug fuses classical inspiration with contemporary design, paying tribute to architecture. The understated composition of the timeless design weaves together a sense of refinement in wool, detailed with stripes that draw the eye and frame the design. Available in three colours – Limestone Beige, Marble Grey and Terracotta Red, the latter a poignant reference to the iconic red facade of Audo House – and a square or rectangular shape.
