# AMPHI COFFEE TABLE

OD31

Overgaard & Dyrman, 2026  
Made in Italy

Model: OD31

The Amphi Coffee Table is a meticulous study of material, scale, and relational balance, Informed by the mathematical elegance of the Fibonacci Sequence and the Golden Ratio.

Rooted in classical materials, the table features tempered glass, solid brass, and Travertine stone, complemented by a miniature cast bronze figure, echoing the architectural grandeur of amphitheatres dating back to 80 BCE and earlier Greek theaters from the 6th century BCE.

Inspired by the mesmerizing architecture, and alluring scale and proportion of ancient Greek and Roman theaters, the table captures the essence of history through a modern lens.

Each table is made to order, uniquely numbered and delivered with a Certificate of Authenticity.
