GHOST / ARMCHAIR, Paola Navone

The armchairs of the Ghost family have backrests with different heights and seats of various sizes, have a thin, minimal structure padded with polyurethane foam and loose cushions in mixed down. The main feature of the Ghost armchairs is the removable cover, an oversize housse whose shape is underlined by the visible stitching, allowing it to be put on and taken off in a flash. A textile product that easily changes appearance, allowing you to go from an elegant to an informal look with ease and speed. Solid beech frame with raw plywood panels. Upholstery with polyurethane foams, covered by resinated material. Black polyethylene feet.
