GHOST / HEADBOARD, Paola Navone

The 81 T headboard is also part of the Ghost collection, an optional product that increases the customisation possibilities of Ghost beds. The oversized padded headboard is designed for wall mounting, and has a removable cover, a distinctive feature of Ghost, a house whose shape is underlined by the visible stitching, allowing it to be put on and taken off in a flash. A textile product that easily changes appearance, allowing you to go from a formal to an informal look with ease and speed.
