

ESTUDIO PERSONA

O STOOL

The O Stool harnesses the circular form, pushing its boundaries through a series of unfolding and folding actions, transforming the typically rigid steel into a depiction of fluid softness. The stool demonstrates not just aesthetic finesse, but also remarkable durability, making it suitable for both outdoor and indoor use

CLEANING INSTRUCTIONS

Powder coated Blackened Steel

Use a dry soft cloth to gently go over marks until clean. Do not apply pressure on persistent marks. Remove them using repeated gentle motions and by reapplying with some clean water if necessary. Please note all of our metal products have a clear powder-coat for further protection. Do not use brass cleaners or abrasive pads as they will remove the finish.
