The LC 47 night table combines functionality and aesthetics: lamp-night table with a dry aesthetic that enhances its great visual lightness, created by the combination of different materials. On the one hand, the matt white or grey painted steel of the legs and the white parchment of the lampshade, on the other, the table top in solid lacquered oak. Max. power 14 W, max. 220 Volt, bulb holder E27. On request, 110 Volt, US plug. Bulb not included.

Directive 2002/96/EC (Waste Electrical and Electronic Equipment - WEEE): information for users. This product complies with EU Directive 2002/96/EC. The crossed-out wastebasket symbol on the appliance means that at the end of its useful lifespan, the product must be disposed of separately from ordinary household wastes. The user is responsible for delivering the appliance to an appropriate collection facility at the end of its useful lifespan. Appropriate separate collection to permit recycling, treatment and environmentally compatible disposal helps prevent negative impact on the environment and human health and promotes recycling of the materials making up the product. For more information on available collection facilities, contact your local waste collection service or the shop where you bought this appliance.
