SAMET / MODULAR SOFA, Federica Biasi

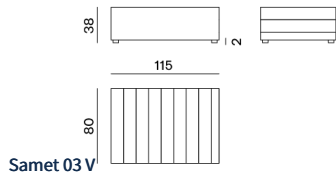

Collection of modular upholstered sofas with removable cover. Structure in plywood and solid wood with elastic belts, high-resilience and variable density polyurethane foam. Structure covered heat-bonded fiber (resin wadding). Feet in black polyethylene. Back cushions in polyurethane. Attention: With KINGSMAN and CORDUROY fabrics, the direction of the stripes runs perpendicular to the quilting. With 3D fabric, there is no quilting and provides only inner seam.
