Sava chair is a delightful small wooden chair of perfect proportions and minimalist elegance. The chair features an innovative, crescent shaped backrest, which continues towards the front of the chair and is transformed into an armrest in a gracious twist from vertical to horizontal orientation. Sava chair is available in maple, walnut and oak wood with seat upholstery in a choice of leathers and fabric. Extra comfort version of Sava chair has an upholstered cushion on the backrest. Sava is perfectly suitable for use in both residential and commercial environments.

* Product weights are approximate and vary based on wood species and selected version of Sava Chair. Different wood densities affect overall weight, even within the same species. If only one weight is shown, it represents the average for maple, ash, and walnut—maple and walnut are similar, while ash is 4% heavier. Oak's weight can be estimated by adding 11% to the net weight. These variations may impact handling, transport, and usage.
