wood*

DESCRIPTION

The Nila Lounge Collection embodies Artisan's mastery in furniture design, with the chaise lounge as its centerpiece. Defined by a pronounced orthogonal structure supporting an organic form, this piece strikes a balance between strength and elegance. Its refined wooden frame and distinctively shaped armrests create a unique visual identity, while soft transitions and a sense of lightness lend a timeless appeal. The upholstered seat rests on a leather base, featuring woven details that provide structural reinforcement where needed, an interplay of technical precision and poetic expression. Subtle metal accents serve both as decorative elements and structural components. Their gently curved lines complete the silhouette, adding visual emphasis and strength.

PRODUCTION PROCESS

The wooden parts of the lounges are made of solid wood pieces, with precisely crafted joints produced on CNC machines. Each piece is chosen through careful matching of wood colors and structures. The technical parameters of hand-assembled chairs comply with standard requirements. Final sanding is done manually with fine-grained sandpaper, and various types of finishes enable a wide selection of the chair's final appearance.

PRODUCT TYPE Lounge chair	DIMENSIONS Height: 73 cm/ 28.7 in Width: 93 cm/36.6 in Depth: 89 cm/35 in	MATERIALS Oak, American and European walnut, elm, cherry, maple, ash
USAGE Indoor
