TOE FLAT CHAIR

A tribute to 70s futuristic design and space age, Toe Lounge Chair Flat is a lounge chair with expressive aesthetics and luxurious seating comfort. Characterized by a sculptural approach to furniture design, the Toe Chair Flat emphasises a certain smooth and softness cocooning around the body. The open chair form adds a free and casual seating experience, easy to move around in the chair and have conversations. The unique combination of foams ensures an overall high seating comfort.

The Toe Chair Flat comes in three stylish upholstery options. The Off-White Bouclé provides a chic tactile feel, ideal for elegant spaces. The Sunproof taupe is stain-resistant and durable, maintaining its vibrancy against sunlight and water.
