

Pato Paper Sledge Barstool

Designed By Welling / Ludvik, 2025

Pato Paper Sledge Barstool features a shell made of PaperShell – a 100% bio-based cellulose composite free of fossil carbon, cast in Sweden. The frame is made of solid steel wire with options for a chrome-plated or powder-coated finish and equipped with replaceable plastic glides for durability. The bar stool is available in several variants and can be customized for both bar and kitchen counter heights. A sustainable and contemporary solution where modern design meets circular material choices and functionality.
