

BM80 Mogensen Coffee Table

Designed By Børge Mogensen, 1961

BM80 is a round coffee table in solid oak, originally designed by Børge Mogensen in 1961. A simple and well-balanced piece with legs fastened by a visible brass screw – a detail that reflects Mogensen’s honest approach to materials and construction.

The round shape brings a softer rhythm to the room, blending the functional clarity of the Shaker tradition with Mogensen’s eye for proportion and calm.
