

TED BRADLEY STUDIO

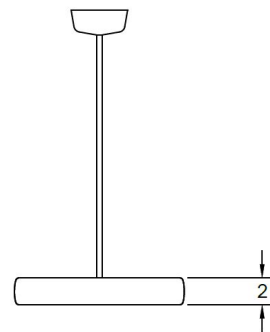

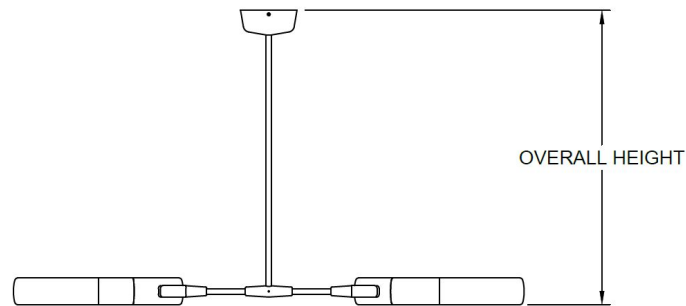

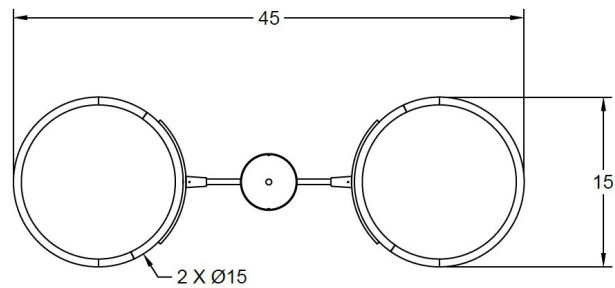

Constellation - Two Rings

Exceptional craftsmanship. Unlike anything else.

The sculpture is inspired by a constellation, where each porcelain ring is like a star in the night sky. When looking at the rings individually, they appear random and disconnected - the eyes dance without coming to rest on a single focal point. But stepping back and viewing the sculpture as a whole, it comes together into something cohesive and beautiful.

The sculpture can cast gentle candlelight on a dining table or brighten an entire room.

We recommend that Constellation sculptures be mounted 70" AFF or higher, to show the beautiful underside of the rings rather than straight on the side profile.

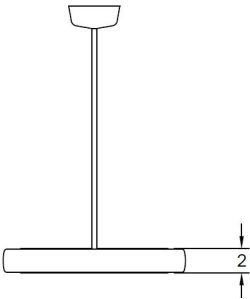

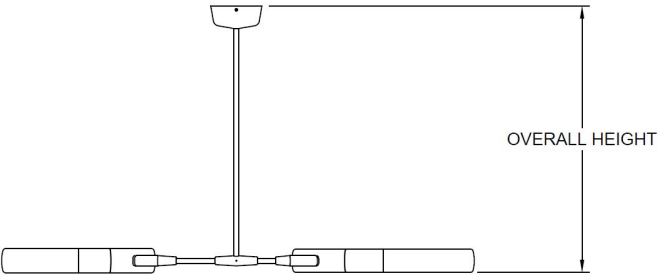

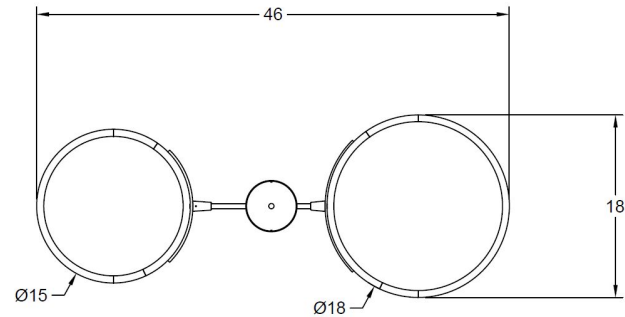

Constellation - Two Rings

Dimensions	45"L x 15"W x 2"H (as shown) Dimensions are customizable
Minimums Maximum	8" Height, 44" Length 60" Length
Ring Sizes	22", 18", and 15" diameters
Light	2,800 lumens total 800 per ring LED color accuracy 95+ CRI 2,400-5,000K color by request Bulb life 50,000 hours (17yrs at 8hrs/day) Relamping kits available
Dimming	Minimum dimming range 5% Electronic Low Voltage (see details)
Mounting	Standard junction box 17 lbs / 8 kg Sloped ceiling by request
Power	120V 30W (15W per ring) 240-277V available with remote driver
LED Drivers	Integrated in canopy, or remote
UL Certification	Light ring design is UL certified; sculpture not certified
Production	Handmade in Colorado Patents pending Rush by request

Constellation 2

Set of 3 Parallel

Three sets of Constellation 2 pendants are arranged in parallel, offset vertically and in the lateral direction. This sculpture can be hung with three separate junction boxes or a single junction box with floating or recessed canopy.

We recommend that Constellation sculptures be mounted 70" AFF or higher, to show the beautiful underside of the rings rather than straight on the side profile.

Constellation 2 - Set of 3 Parallel

Dimensions	71"L x 26"W x 10"H (as shown) Dimensions are customizable Can be configured as round or linear Drop height made to order
Minimum Height	15"
Ring Sizes	18" and 15" diameters
Light	4,400 lumens total 660-800 per ring LED color accuracy 95+ CRI 2,400-5,000K color by request Bulb life 50,000 hours (17yrs at 8hrs/day) Relamping kits available
Dimming	Minimum dimming range 5% Electronic Low Voltage (see details)
Mounting	Standard junction box 21 lbs / 10 kg per pendant Sloped ceiling by request
Power	120V 90W (15W per ring) 240-277V available with remote driver
LED Drivers	Integrated in canopy, or remote
UL Certification	Light ring design is UL certified; sculpture not certified
Production	Handmade in Colorado Patents pending Rush by request
