

TED BRADLEY STUDIO

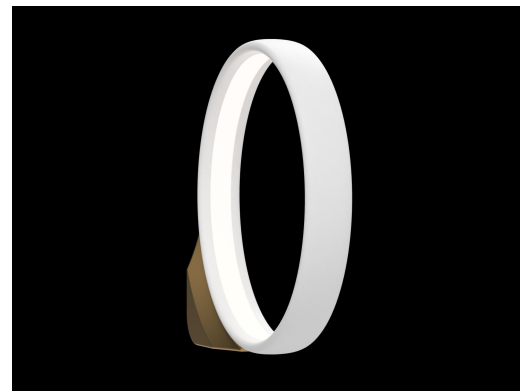

Eclipse Table Lamp

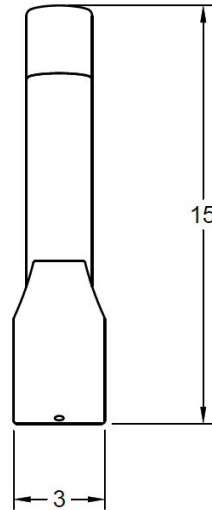

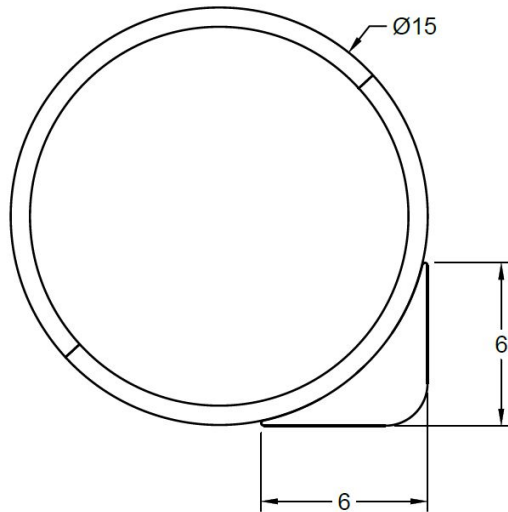

Exceptional craftsmanship. Unlike anything else.

The sculpture is inspired by a solar eclipse - one of nature's most visually powerful phenomena. It took nearly two years for me to design and perfect this piece. I explored over a dozen designs and settled on this one for its simplicity and iconic feel.

There is no switch on this lamp - a gentle touch of the hand to the lamp base turns it on, off, and dims.

AS SHOWN ON WEBSITE

Eclipse Table Lamp

Dimensions	15"L x 3"W x 15"H (as shown) Stabilized by weight of 12lb metal base
Ring Sizes	18", 15" diameters available
Light	680-800 lumens total LED color accuracy 95+ CRI 2,400-5,000K color by request Bulb life 50,000 hours (17 years at 8 hours / day) Relamping kits available
Dimming	Minimum dimming range 5% Electronic Low Voltage (see details)
Mounting	Standard junction box 15 lbs / 7 kg
LED Driver	Integrated in electrical plug
Power	120V 15W
UL Certification	Light ring design is UL certified; sculpture not certified
Production	Handmade in Colorado Rush by request Patents pending
