

# SkLO

## Bloom 1.0

### PENDANT

A single ellipsoid diffuser is layered with an organic composition of pod shapes using the glassblowing technique we developed for the Bloom collection. The diffuser is of opaque white glass. The bubble-like pod shapes come in organic compositions of 2, 3 or 4 pods of varying sizes and positions. The pods are available in 3 different transparent glass colors. The pendant is suspended on a rigid brass tube stem from a single canopy.

Socket 220-240V G9 7W Max (LED bulb included)

This fixture does NOT accommodate sloped ceilings

This fixture is compatible with one or more of SkLO customizable multi-pendant canopy systems. Visit the Canopy Options page on our website to see available systems and review compatibility

Fixture length:

Fixture includes our field-adjustable Standard Stem Kit (consists of (1) 152mm, (2) 305mm, and (1) 458mm combinable stem sections) – additional Stem Kits are available at additional cost

Our field-adjustable Extended Stem Kit is available at additional cost (consists of (1) 152mm, (1) 305mm, (1) 458mm, (1) 610mm and (1) 915mm combinable stem sections)

Custom cut-to-order stems (not field-adjustable) available – requires specified OAL (overall drop length) – minimum OAL 12.5\"/>

Fixture weight (approximate): 1.8kg (LT082), 1.9kg (LT083), 1.9kg (LT084)

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent
