

SW50 Sofa - Fully Upholstered, 4-seater

Designed by Illum Wikkelsø - 1959

ITEM NUMBER	62645
DESCRIPTION	The SW50 Sofa, designed by Illum Wikkelsø in 1959, reflects a more restrained side of the Danish designer's work. Defined by long horizontal proportions, a visible wooden structure, and a visually light expression, the sofa balances structural clarity with inviting comfort. Crafted from FSC®-certified oak and wood from other responsible sources (FSC® C176589), the structure reinforces the sofa's calm and architectural character. The slightly upright seating position encourages conversation and social interaction, while the open construction and slender proportions allow the sofa to sit lightly within a space. Reintroduced by GUBI in its original four-seater format, the SW50 remains distinctly relevant today through its openness, material honesty, and understated expression.
