

Elogio Ottoman - Fully Upholstered

Designed by Tobia Scarpa - 1974

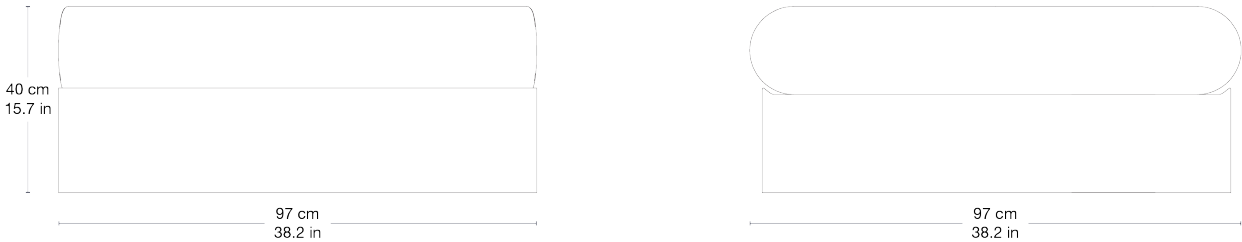

ITEM NUMBER	62653
DESCRIPTION	Developed as a natural extension of Afra and Tobia Scarpa's Elogio modular sofa system from 1974, the Elgio Ottoman expands the collection's architectural flexibility and spatial versatility. Defined by the same grounded geometry, inviting softness, and modular clarity as the sofa, the ottoman introduces more fluid ways to shape and connect space. Whether positioned independently, integrated into the seating landscape, or used to link larger configurations, it enables Elogio to move beyond linear arrangements while remaining faithful to the collection's calm architectural character.
