Model 36 Desk
by Severin Hansen

Severin Hansen's Model 36 desk, designed in 1958 when he was just 22, is a true icon of Danish Modern design. Its timeless, contemporary look features signature 3-way mitred joints and tapering legs. During its first exhibition, the future Queen Margrethe II fell in love with the desk, and her father, King Frederik, gifted it to her. To honor this, we're re-launching these designs as the Margrethe Collection.
