## **Class 1 & Class 3 Driver / Laborer – Professional, Skilled, Reliable**

We're hiring Class 1 and Class 3 drivers who can handle both driving and physical labor, work safely around heavy equipment, and understand that **quality is safety**. Candidates **must be able to make sound decisions in the field** and complete all work **without damaging our equipment or our customers' equipment**.

### **Responsibilities:**

- Local driving combined with hands-on labor
- Working safely around heavy equipment
- Proper load securement (chains, binders, straps)
- Confident truck maneuvering in tight areas
- General site labor and material handling
- Following safety procedures and taking direction clearly

### **What We Expect:**

- **Reliable attendance — and we reward it**
- Must live within **60 minutes** for efficient response times
- Physically capable and safety-focused
- **2–3 years commercial driving experience preferred, but eager new drivers who are top of their class and ready to take direction will be considered**
- Strong experience with load securement and heavy equipment environments
- Professional appearance and completely fluent in English for safe communication
- Ability to work independently and **make sound decisions in the field**
- **Full-time hours from 7:00 AM until the day is done**

### **What We Provide:**

- **Top of industry pay for top industry drivers**
- Steady schedule and dependable crew
- Well-maintained equipment
- Comprehensive health benefits and pension options
- Great annual boot allowance, uniforms, and all safety gear.
- Paid time off and overtime opportunities

If you're a skilled or eager, hardworking professional who values safety, quality, and reliability, we want to hear from you. [safety@atlantictiltload.com](mailto:safety@atlantictiltload.com)
