## ABOUT THE DRIVER

Allan has the most miles we have ever had here at Day & Ross; over 6 million and working on his 7th million. He is a joy to work with and says he looks forward to going in the truck daily for his run to Moncton and back. He has been driving for Day & Ross for over 50 years now!! Amazing!! Alan likes to enjoy time with his wife on the side-by-side when he is not working and also loves to fish for trout and have a nice fish fry after. Allan also likes to hunt deer and when lucky enough to get his name drawn will also hunt for moose. I asked him how much longer he will drive and he says as long as the good lord allows him.

Congratulations Allan!
