ROSS**

CLYDE EARLE

ABOUT THE DRIVER

Clyde is an outstanding candidate due to his exceptional commitment, professionalism, and dedication for over 44 years with Day & Ross. Starting on March 8, 1982, he began his career working in the warehouse, operating a forklift and hand bombing freight for local store deliveries. When a driving position became available, his strong work ethic, reliability, and years of proven service made him the clear choice for the role. As an Owner Operator driving a 3-ton straight truck, Clyde has built an impressive safety record by achieving 39 years of safe driving. His approach to safety is simple but effective: always looking ahead, staying aware of his surroundings, and never taking routine tasks for granted. Even at familiar intersections, he carefully checks all directions before proceeding. Clyde consistently demonstrates kindness and community spirit. Whether helping motorists stuck in the snow and going the extra mile for our customers, he represents the values of Day & Ross both on and off the road. His dedication, safety record, professionalism, and willingness to help others make him truly deserving of recognition as the Professional Truck Driver of the Month.

Congratulations Clyde!

ABOUT THE ATLANTIC ROAD OF FAME

The Professional Truck Driver of the Month award has been established to recognize the men and women behind the wheel that make our industry great. Visit our "Atlantic Road of Fame" by clicking [HERE](#).

ABOUT THE COMPANY

With over 7,500 team members on and off the road in Canada and the US, Day & Ross offers a diversified portfolio of freight and delivery solutions to top brands across North America. The company got its start by hauling potatoes out of New Brunswick in 1950. Today, their key services include LTL, Truckload, and cross-border transportation, logistics, dedicated fleets, and residential delivery. For over a decade, Day & Ross has been recognized consistently as one of Canada's Best Managed Companies and has been named a Top Company for Women to Work for in Transportation since 2018.
