

# SPYSCAPE TEAM BUILDING

IMPROVE HOW YOUR TEAM COMMUNICATES,  
COLLABORATES AND PERFORMS

A high-impact interactive experience that reveals individual strengths, decision-making styles and communication approaches. Followed by a self-led debrief workshop where your team uses insights provided by MI6 spy trainers to improve their working dynamics.

## PROFILE SNAPSHOT: INDIVIDUAL VS AVERAGE

## WHY TEAMS CHOOSE SPYSCAPE? BECAUSE INSIGHT DRIVES PERFORMANCE.

Your team won't just have fun, they'll discover:

- Their risk tolerance and problem-solving style
- Their leadership and collaboration tendencies
- How individual strengths and working styles combine to create a more effective team
- How they communicate under pressure

This isn't a personality quiz. It's a performance insight tool built on real-world methodologies from the world's top intelligence agencies

## HOW IT WORKS

1.

### Immersive Challenges

Your team takes on a series of interactive exercises in codebreaking, surveillance, deception, agility and personal analysis and designed with top psychologists and MI6 spy trainers.

2.

### Personalized 58 Page Profile

Each participant receives a comprehensive, individual profile detailing their own strengths, attributes and working style.

3.

### Debrief Workshop

In a premium meeting space, your team unpacks their profiles and real-world spy role designations in a self-led session designed to turn insight into action.

## TRUSTED BY LEADING TEAMS

- Over 1 million participants profiled
- Rated 9/10 by corporate teams

*"SPYSCAPE exceeded all of our expectations. The most valuable part was the insight we gained about our strengths and how we can leverage them to achieve our collective goals. It was a powerful reminder of the importance of trust, communication, and collaboration in achieving success."*
