

Midland Children's Rehabilitation Center (MCRC) is hiring! Our amazing non-profit, pediatric therapy center currently has an opening in the occupational therapy department for a licensed occupational therapist (OT). The ideal candidate will possess a Bachelor's, Master's or Doctorate-level degree in occupational therapy and meet current legal requirements of licensure as an OT within the State of Texas. Ideally, the candidate will possess 2+ years of pediatric experience, however recent graduates will be considered as well. Part-time and full-time applicants are encouraged to apply.

OT responsibilities will include but are not limited to:

- *evaluating pediatric patients*
- *developing goals and treatment plans based on evaluation*
- *administering occupational therapy treatments to pediatric patients*
- *documenting patient status and progress, communicating regularly with clients/guardians.*

The ideal candidate will deliver compassionate treatment and demonstrate competencies in teamwork, be highly organized and self-motivated. They should also possess professional and confident communication skills, able to converse effectively with patients, guardians and staff.

For those that qualify, MCRC offers a comprehensive benefits package including medical, dental and vision insurance, 401K, a generous holiday and PTO schedule, and support for continuing education. MCRC is an at-will employer and provides equal employment opportunity without regard to race, color, sex, religion, national origin, age or disability. MCRC conforms with all applicable federal and state laws, rules, guidelines and regulations and provides equal employment opportunity in all employment and employee relations.
