

**Job Title:** Regional Alignment Coordinator

**Organization:** Basin Lighthouse (PBRCADA)

**Location:** Odessa, TX

**Closing Date:** 03/30/2026

**Job Description:**

The Regional Alignment Coordinator is a full-time role based in Odessa, TX, supporting substance use prevention and behavioral health efforts across 30 counties in Region 9. This position focuses on aligning stakeholders, programs, and data around regional goals by leading planning, data-sharing, coalition-building, and capacity development.

**Key Responsibilities:**

Includes facilitating regional alliances and workgroups, assessing community needs, hosting events, maintaining a regional resource directory, and communicating data trends to inform prevention strategies.

**Education & Experience:**

Candidates should have a bachelor's degree (or equivalent experience), proficiency in Microsoft Office, reliable transportation, and the ability to work some evenings, weekends, and local travel. Experience in public health, behavioral health, or community-based initiatives is preferred.

**Working Conditions:**

The role offers flexible scheduling, paid holidays, vacation/sick time, health benefits, and the opportunity to impact regional prevention efforts.

**How To Apply:**
