Trail Building Weekend

Mt. Madonna County Park (II) Watsonville, Ca

August 14 - 16, 2026

Join us as we return to beautiful Mt. Madonna County Park in Watsonville, home to magnificent redwood forests. We'll be rerouting approximately 500 feet of the Redwood Trail, another section prone to erosion, and decommissioning the old trail. We'll work closely with the county's amazing trail crew, using grip hoists to move cut trees out of the new trail alignment. General maintenance on the Bayview Trail will be our overflow work, including brushing vegetation, widening the trail in places, and, hopefully, rebuilding three rock crossings. If you were at Phase I, you know how rewarding this project is! We'll be staying at the Arrowhead Group Camp, just a short walk from the work area.
