Teacher Note:

Strategies to Try at Home!

English Language Arts (ELA)

- Read to your preppie every night and ask questions about what they liked about the book.
- Build vocabulary by having frequent back and forth conversations about different topics. Make sure your preppie responds in complete sentences.
- Label items in your home and have your preppie reference/use the labels i.e. toys, books, toothbrush, etc.

Math

- Find various opportunities for preppies to count i.e. count breakfast cereal, count toys, count trees, count people, etc.
- Help preppies identify numbers in your home and environment.
- Point out shapes in the environment and ask your preppie to do the same i.e. circle, square, diamond.
