YES	NO	YES	NO	YES	NO	TERM TIME ONLY (38 weeks a year)	STRETCHED OFFER (45, 52 Weeks a year etc)
Please note, if your child will be splitting funded hours between two settings using the 30 hour code, then you can split the funded hours. However, if the settings are on different offers, it must be an equal split of 15 hours between providers. For example, up to 15 hours per week with a term time only provider (38 weeks) and then up to 11 hours per week with an all year round stretched provider (open for more than 38 weeks). One provider will use the 15 universal hours and the other will use the 15 extended hours. This is to prevent an overclaim. If your child has claimed stretched funding at another setting and is leaving, please check when their funding ends to prevent an overclaim at the new setting.
