

## THE WT GROUP ACCESSIBILITY PRACTICE TEAM

The WT Group has always flexed to best meet the needs of its clients, whether states and local governments, businesses, nonprofits, owners, developers, and faith-based entities.

Our Accessibility Practice is a good example of that flexibility.

**"Our team has changed and strengthened our expertise to help you reach full compliance with the Americans with Disabilities Act."**

**SHELLEY ZUNIGA**

Shelley has served nearly 500 clients as our Senior Project Manager. She has 25 years of experience in local government and is a Certified Access Specialist (CASP), Certified ADA Coordinator, and Certified Therapeutic Recreation Specialist (CTRS).

**TATUM STOREY**

Tatum worked for one of the longest-tenured accessibility advice nonprofits. She holds an MSW, and her understanding of the ADA statutory and regulatory requirements is a great benefit to our clients. She is our Senior Accessibility Specialist.

**JASON HICKMAN**

After a 20-year parks and recreation career, Jason is an Accessibility Specialist. Our in-house facility management expert, his career and his familiarity with the 2010 Standards give him a great perspective on our work.

**JAY RHODES**

A licensed architect, Jay is a Project Manager with diverse local government and private sector design and compliance experience. Jay is a Certified ADA Coordinator who is well versed in 2010 Standards. He is a great benefit to clients with unusual structural conditions.

**TANYA SHEIBE**

Tanya is a Project Manager and Registered Accessibility Specialist (RAS). With us since 2009, she's contributed to more than 400 projects. Her architecture degree and her superior understanding of the 2010 Standards makes her the perfect lead for our plan review efforts.

**AARON HIRTHE**

Aaron is a Certified Park and Recreation Professional (CPRP). As our Accessibility Specialist, he has local government experience facilitating inclusive participation by people with disabilities in recreation programs and fulfilling requests for reasonable modifications.

**JOHN MCGOVERN**

John leads the Accessibility Practice. His 30+ years in local government, service on three federal advisory committees, training expertise and law degree have been instrumental in guiding each of our nearly 500 projects. He looks forward to working with you too.

## \*COVID-19 News

We recognize the importance of the safety of your staff and your residents.

We therefore volunteer that we are all vaccinated and boosted.

Our on-site Covid protocols protect you as best we can.

## OUR PROMISE

### Collaboration & Knowledge

We have a great team with an unusual collection of experiences and credentials. With experience in local government and a law degree, our Principal in Charge John McGovern gave his service on three federal advisory committees that shaped the 2010 Standards. Our team also holds a California and Texas credential, along with two Certified ADA Coordinators.

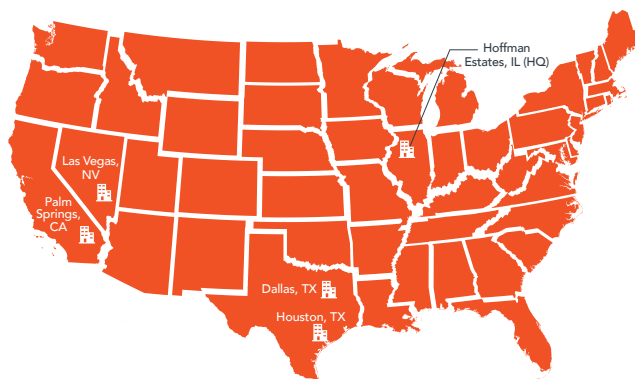

### Efficiency & Economy

We seek efficient and economical accessibility consulting solutions. Anticipating and addressing accessibility problems saves our clients both time and money. Our ability to scale up or down to meet the specific scope of each project results in the optimal use of resources, to enable the creation of accessible and inclusive communities.

### Compliance & Inclusion

WT Group's Accessibility Solutions are designed to assure that your local government is in compliance with the Americans with Disabilities Act (ADA). Our career local government experience, our knowledge of the ADA, and our consulting expertise resulting in more than 1,000,000 retrofit recommendations for more than 366 units of local government, make our firm the right choice for your jurisdiction.
