

Accessibility Consulting

Who We Are

WT Group's Accessibility Consulting Practice is a team of ADA Compliance Consultants including lawyers, architects, engineers, Certified Therapeutic Recreation Specialists (CTRS), and Certified Parks and Recreation Professionals (CPRP).

Our priority is to assess, guide, problem solve, and service each project to meet the exacting needs and requirements of the client, based on the Americans with Disabilities Act (ADA).

With WT Group's nine practice areas, our team has an in-depth knowledge of mechanical, plumbing, electrical, structural, civil engineering, land surveying, accessibility consulting, and construction. Our knowledge, experience and skill ensure that your project will comply with the Americans with Disabilities Act (ADA) and applicable regulations and standards.

Our commitment is excellence.

We provide the answers and strategies necessary to make facilities accessible to all members of the community, with and without disabilities

Thousands of ADA challenges solved with viable, cost-effective solutions that have helped organizations achieve compliance with the Americans with Disabilities Act

WT Group's Accessibility Consultants have assisted more than 450 cities, counties, states and special-purpose districts in ADA Compliance

Services Provided

- **Access Audits**

Section 35.105 of the title II regulation requires a self-evaluation of existing facilities, policies, and programs.

- **Transition Plans**

After an access audit of all existing sites and facilities, we prepare a phased retrofit schedule.

- **Policy Review**

The title II requirements also mandate a review of public-facing policies.

- **Program Supports Review**

The title II 35.130(d) requirements also mandate that programs and services be provided in the most integrated setting.

- **Plan Reviews**

For jurisdictions and businesses in the development stage of a park or facility, we complete plan reviews at every stage of the design process.

OUR PROMISE

Collaboration and Knowledge

We have a great team with an unusual collection of experiences and credentials. With experience in local government and a law degree, our Principal-In-Charge John McGovern gave his service on three federal advisory committees that shaped the 2010 Standards. Our team also holds a California and Texas credential, along with two Certified ADA Coordinators.

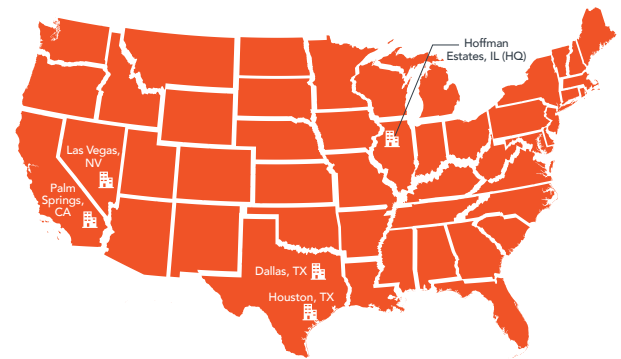

Efficiency and Economy

We seek efficient and economical accessibility consulting solutions. Anticipating and addressing accessibility problems saves our clients both time and money. Our ability to scale up or down to meet the specific scope of each project results in the optimal use of resources, to enable the creation of accessible and inclusive communities.

Compliance and Inclusion

WT Group's Accessibility solutions are designed to assure that your local government is in compliance with the Americans with Disabilities Act (ADA). Our career local government experience, our knowledge of the ADA, and our consulting expertise resulting in more than 1,000,000 retrofit recommendations for more than 450 units of local government, make our firm the right choice for your jurisdiction.
