- Hands-on particle physics research
- Airbus factory tour

- Travel to Switzerland, France and the U.K.
- Visit Cité des Sciences in Paris
- Tour of Cambridge University
- Educational programs at London's Science Museum

FEATURED TRIP

CAMP KSC INTERNATIONAL

Camp KSC International is our most popular trip for groups and is available as a three or five-day experience. This includes the Astronaut Training Experience at the all-new facility with virtual and motion simulators. Students also experience living and working on Mars for a day at Mars Base 1, where they work in MB1 operations, the botany lab and engineering lab.

HEAR REAL-LIFE STORIES FROM A VETERAN NASA ASTRONAUT

Combine this trip with other awesome educational programs available in Orlando, such as Universal Studios and their STEAM APP workshops, Disney's EPCOT Center and YES educational programs, and 2D and 3D game design workshops at a local university.

CAMP KSC
INTERNATIONAL,
ORLANDO

Suggested time:
10 - 12 days

TEACHER PREVIEW TRIP

EXPERIENCE THE HIGHLIGHTS OF YOUR PROPOSED SCHOOL TRIP

We provide a trip preview service to teachers who are in the process of planning a school tour to Orlando*. A teacher preview tour is a great way to sample your school trip location, complete any required safety management, and experience our services.

E: schooltours@educatingadventures.com

*all preview trip costs are refunded upon confirmation of your school trip

GET IN TOUCH

“I want to say a huge thank you to you for putting together such a great tour and to Mike for being such a knowledgeable tour rep and a calm and efficient problem-solver! We had a fabulous trip, I’m already starting to think about the next one.”

Mrs. Bennett - Cheltenham Ladies' College, Orlando STEM trip

Don't see the trip or destination that you are looking for?

We organise trips on other subjects and to many different destinations, so if you don't see what you're looking for, don't despair!

We have expert school travel consultants on hand, ready to guide you through the planning process. Our consultants work individually with each teacher to ensure that all of our trips are custom-designed to meet your school's particular needs.

For sample itineraries, any information on specific trip components or trip pricing, please contact our team.

E: schooltours@educatingadventures.com

“Educating Adventures provided a seamless experience that created lifelong memories the students will never forget. The trip was a perfect balance of educational courses, activities, and theme parks, and we have no hesitation in recommending EA to organise any school group tour.”

Ms. Anderson - Wellington College, NASA Educational Tour
