NOTES

Burgers and steaks will automatically be done ‘medium’ at an internal temperature between 140-150°F (60-66°C). This results in a steak/patty that is warm and pink in the center. This is **NOT** raw. We do not recommend, and will not guarantee, any red meat ordered 'medium well' or higher.

We take pride in making our food from scratch daily; however, some items may be unavailable.

Please notify us if you have any allergies, as not all ingredients are listed. Consuming raw or undercooked meat, seafood, or eggs may increase your chances of contracting a foodborne illness.

Due to fluctuating market demand and supply availability, our menu prices are subject to change often.
