

“Beast of the Southeast” 2026 Sponsorship

Dear Sponsor:

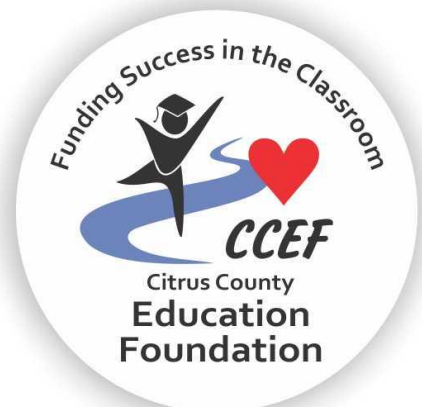

Sponsorship of the 2026 Lake Hernando Dragon Boat Festival is a great way to show a large audience your company’s dedication to education and your community. It is an incredible way to partner with the Citrus County Education Foundation (CCEF) to help support programs that impact over 16,000 students and teachers in Citrus County. This international event is now the largest of its kind in the southeast, with over 85 teams and over 5,000 attendees including racers, spectators, and volunteers.

The Dragon Boat Festival benefits the Citrus County Education Foundation, the only 501(c)(3) non-profit organization whose sole mission is to support public education, pre-kindergarten through 12th grade. Funds raised help support programs such as Foundation 4 Success classroom mini-grants, First Library early literacy program, scholarships for high school seniors, classroom technology enhancements, Supplies 4 Success free teacher store, the Citrus County Regional Science & Engineering Fair, Math Field Day, student art festivals; and investments in numerous other programs supporting our students.

This year’s event will be held on Saturday, November 7, 2026, and we are asking for your support. Please review the attached sponsorship opportunities. We greatly appreciate your support of our children knowing that the impact on students and teachers of Citrus County comes from the generosity of donors like you.

Sincerely,

Shaunda Burdette, Executive Director
Citrus County Education Foundation
burdettes@citruschools.org
