NSWJRU PRESIDENT MESSAGE

Dear Rugby Parents and Players

Welcome to what promises to be a great weekend of rugby for all involved at the 2026 Peugeot NSW Junior State Championships.

This event continues to grow each year with Sydney Juniors and Country affiliates working hard to encourage and enthuse those in their areas to play this great game.

The event is the pinnacle for many players and for some further selection in Sydney and Country teams and then leading on to NSW State Representative Teams. One of the great things regarding the championships is the opportunity for players to play in teams even if they do not have a representative pathway.

More importantly though young girls and boys experience “rugby” in all its parts. Representing clubs, districts, playing with mates and also making connections with others in their teams as well as from opposition teams. For those lucky enough to travel and experience rugby in the country it adds to another great experience. The camaraderie, challenges and opportunities to run the ball is second to none and showcases the game, its strengths and that it is a game for all shapes and sizes.

The parents for whom none of this could occur without their support and commitment also get to have experiences socialising , eating and exploring all that the venues have to offer. All in all a great adventure for those involved.

Most importantly are the thankyou's and firstly the officials from all the clubs and districts – the field managers, the referees, the AR's, the volunteers on the BBQ's and the canteens for which this weekend could not occur without. Your support in time and effort does not go unnoticed and certainly is valued by all at NSW Juniors.

The supporters and sponsors of rugby juniors in NSW play such an important role in ensuring that this great game is accessible to all those that wish to play it.

As President of NSW Juniors I look forward to watching the Championships in this role and witnessing the respect accorded to the players, the officials and all involved to make this weekend a positive experience from the U12's to the U18's.

Good luck, enjoy and most importantly of all have fun.

NSW RUGBY CEO MESSAGE

It is with great pride and excitement that I welcome all players, coaches, referees, volunteers, families, and supporters to the 2026 NSW Rugby Junior State Championships.

These Championships continue to showcase the very best of junior rugby across New South Wales and beyond. More than just a tournament, this event represents the passion, commitment, and community spirit that makes rugby such a special game.

Across the weekend, thousands of young players will take the field representing their clubs, districts, and regions with pride. For many, this will be an opportunity to challenge themselves, create lifelong friendships, and make memories that will stay with them well beyond rugby. To our players - embrace every moment. Play with courage, respect your opponents and officials, and most importantly enjoy the experience. Whether it is your first State Championships or your final junior campaign, these are the moments that help shape both players and people.

To our coaches, managers, volunteers, referees, and families - thank you. Community rugby simply does not exist without your dedication, time, and support. Your contribution continues to strengthen the game across every corner of our state.

I would also like to acknowledge our host venues, councils, sponsors, and partners whose ongoing support allows these Championships to continue to grow year after year.

Finally, thank you to everyone involved in making this event possible. I wish all teams the very best for the weekend ahead and look forward to another outstanding celebration of junior rugby in New South Wales.

Sharing the Spirit of the Game

The Rugby Club Foundation's continuing support of the NSW Junior Rugby State Championships exemplifies its mission of 'Sharing the Spirit of the Game'.

The Foundation sincerely trusts that its support of these Championships assists with creating wonderful Rugby opportunities for all Championship participants.

The Foundation also wishes all Championship participants an enjoyable, safe and successful outcome as they pursue their Rugby endeavours.

In pursuing its Primary Object, the Foundation has, since 2017, provided financial support to 191 grassroots Rugby programs, benefiting players at junior and senior levels, as well as coaches and match officials across the State of NSW.

The Foundation looks forward to expanding its grants program and continuing to nurture and support the game of Rugby.
