2026 GIRLS XV PROVINCIAL INVITATIONAL

Sept 19th
& 20th

ERIC TWEEDALE STADIUM, GRANVILLE

NSWJRU PRESIDENT MESSAGE

Welcome to what promises to be a fantastic weekend of rugby and a wonderful celebration of girls' rugby at the 2026 NSWJRU Girls XV Provincial Invitational.

This event represents an important and exciting part of the NSW Juniors pathway, bringing together talented young players from across NSW and providing them with the opportunity to test themselves against some of the best emerging girls' XVs teams in the country.

We are particularly delighted to welcome our visiting teams from the ACT and Rugby Victoria, as well as the Southern Barbarians, whose players have come together from South Australia, Tasmania, Victoria and the ACT. We thank you for making the journey to NSW and for being part of what we hope will be a memorable weekend of rugby.

The inclusion of teams from around Australia adds something very special to the event. It provides our players with the opportunity to experience different styles of rugby, make new friendships and connections, and compete against players they may otherwise never have the opportunity to meet. We hope our visiting players, coaches, managers and families enjoy not only the rugby, but also the camaraderie and friendships that come from being part of a wider rugby community.

The growth of girls' rugby in NSW has been tremendous, and this tournament is a reflection of the hard work of our clubs, Zones, Districts, schools, volunteers, coaches and families who continue to encourage more girls to take up and enjoy this great game. For many players, this weekend represents the culmination of a significant amount of work and an opportunity to represent their region and state. For others, it is another important step in their rugby journey, providing the chance to play alongside new teammates, compete against different opposition and experience the unique opportunities that representative rugby provides.

But while representative rugby and pathways are important, there is so much more to rugby than selection. Rugby gives young people the opportunity to build friendships, develop confidence, learn to work together and experience the camaraderie that makes our game so special. It is a game that welcomes players of all shapes, sizes and abilities, and creates opportunities for everyone to contribute. None of this would be possible without the incredible support of parents and families. Your commitment to training, travel, weekends on the sideline and everything that goes with junior rugby is what allows these opportunities to exist. We thank you for the role you play in making this experience possible for your daughters.

I would also like to acknowledge our wonderful volunteers, coaches, managers, referees, assistant referees, medical staff, field officials, canteen and BBQ volunteers and everyone working behind the scenes. Your time, energy and commitment are the foundation of community rugby. Your contribution does not go unnoticed and is greatly valued by everyone at NSW Juniors.

Good luck to all the teams. Play hard, play with pride, respect one another and, most importantly, enjoy the opportunity to play this great game.

NSW RUGBY CEO MESSAGE

It is with great pride and excitement that I welcome all players, coaches, referees, volunteers, families, and supporters to the 2026 Girls XV Provincial Invitational.

Thus Carnival continues to showcase the very best of girls junior rugby across New South Wales and beyond. More than just a tournament, this event represents the passion, commitment, and community spirit that makes rugby such a special game.

Across the pathway leading into this, thousands of young players will take the field representing their clubs, districts, and regions with pride. For many, this will be an opportunity to challenge themselves, create lifelong friendships, and make memories that will stay with them well beyond rugby.

To our players - embrace every moment. Play with courage, respect your opponents and officials, and most importantly enjoy the experience. Whether it is your first chance to represent the State or your final junior campaign, these are the moments that help shape both players and people.

To our coaches, managers, volunteers, referees, and families - thank you. Community rugby simply does not exist without your dedication, time, and support. Your contribution continues to strengthen the game across every corner of our state. I would also like to acknowledge our host venues, councils, sponsors, and partners whose ongoing support allows these carnivals to continue to grow year after year.

Finally, thank you to everyone involved in making this event possible. I wish all teams the very best for the weekend ahead and look forward to another outstanding celebration of junior rugby in New South Wales.
