## U10 & U11 Gala Shields

As the Gala has no finals these traditional shields are awarded to the team (and their supporters) that showed the greatest 'Rugby Spirit' over the weekend. This is a unique award that takes no notice of results but more of attitude and truly reflects what this carnival is about. For the Under 10s The **Dr John George 'Spirit of Rugby' Shield** and for the Under 11s the **G.R.Paton 'Spirit of Rugby' Shield** will be awarded. The message to the coaches and supporters is that your actions on the sideline have a direct impact on the team's ability to win these awards – so act accordingly please.

**Team Roles** – All coaches and managers are to stay in the technical zone for the entire half. A coach CANNOT be a water runner or medic. Teams must provide a Ground Marshall (GM) and an Assistant Referee (AR) for all their games. All substitutions MUST go thru the AR – no running of the bulls onto the field by the reserves.

MINIMUM GAME TIME FOR PLAYERS

Teams are allowed to bring a squad of 18 player to the State Gala. Every player in the match-day squad for each game MUST receive the equivalent of HALF a game for each and every game.

Our view is that all players have trialled, been selected, trained, paid and travelled equally and all are deserving of getting at least the minimum of a half for each game. This does not have to be in one stretch but should be equivalent of 15 mins per game.

## U10 & U11 Barbarians Teams

You will notice in the U10 & U11 draws that there are TWO games involving the **RED BARBARIANS** and the **BLUE BARBARIANS**.... These are teams that we include when there are odd numbers of teams nominated and to ensure that every team gets their allocated six (6) games over the weekend.

There are teams highlighted Red and Blue withing the draw and we require each of these teams to put forward as specific number of players each that will participate in the Barbarians games. We do specify which positions each team is to provide so that we get a full Barbarians team on the field. The teams chosen for the Barbarians are purely basis their proximity in the draw to not impact any teams regular schedule - The below list is what is required.

This is a great opportunity for coaches to give some extra gametime to some players and ensure that all players get to enjoy the State Gala weekend. Could managers of these below teams please forward the names of their players that will fill these roles in the Barbarians?

# Information for U11s

Greeting U11 State Gala teams,

My name is Ben Gregory, and I will be your Competition Manager for the U11's NSWJRU State Gala this year at Glen Willow Sporting Complex in Mudgee.

As an old Central West boy myself, who grew up between Mudgee and Wellington, I love the opportunity to get back to the bush for this event. For some of you this will be your first State Gala experience, whilst others may be 'old hands' at this Development (Rep) stuff by now. I think you will find that Mudgee is an outstanding venue for hosting such a State Gala and if we all act appropriately, it will be a wonderful weekend of Junior Development Rugby for all involved.

A big thanks also to Mid-Western Regional Council and Mudgee Rugby Club for their support of this event.

The team at Mudgee do a wonderful job in hosting and catering for this event, and we are extremely appreciative that they offer their fields to us all for this event. So we ask that all teams support our hosts where they can - support their canteen and BBQ.

To that end - **NO EXTERNAL BBQs OR COOKING FACILITIES ARE PERMITTED! - Nor can alcohol be brought into the venue.**

**REFEREES** – As previously advised – **EVERY TEAM** is expected to provide a referee for the weekend in Mudgee. Teams are also expected to provide an Assistant Referee (AR) for the event also, but for the State Gala's we allow the AR to do their own game (as there are no finals) – meaning that your official AR could also double as your referee (if they are qualified).

Can all teams please complete the below link to nominate who will be their referee for the weekend. If you have more than one, then please complete for them also and it will ease the load.

Please email your contact details of your nominated referee to [vpreps@nswjuniors.rugby](mailto:vpreps@nswjuniors.rugby)

It important we recognise and thank the referees who give up their weekend to help make it enjoyable and **POSSIBLE** for all players and parents. If you get the opportunity, please do so throughout the weekend.

**The Rugby Club Foundation** - It is also a good time for a reminder of the fantastic support from The Rugby Club Foundation. Have a look online at the support they give to the game of rugby. They are paying your District's entry fee! We do ask that you write to them and thank them for their support – email Lisa Kane | Rugby Club [lkane@rugbyclub.com.au](mailto:lkane@rugbyclub.com.au)

**Website** - I am sure you have all visited the NSWJRU website with all the information you need on the event. <https://www.nswjuniors.com.au/>

The website and WhatsApp site have a comprehensive link to the Mudgee information PDF (also attached). Please read carefully and be aware of the facilities available and the dos and don'ts....

**DRAW** – the draw will be out at least 10 days prior to the carnival – there will be a pdf version of the draw on the website as well as the games themselves – Plus it will be loaded onto RX so that you may start entering your teams.

**Silverware on offer** – there are no finals for the State Galas, but we do offer a ‘Spirit or Rugby’ Shield’. This is a unique award that is bestowed upon the team (and their coaches, management and supporters) that epitomizes the SPIRIT OF RUGBY?

- *U10 - The Dr John George 'Spirit of Rugby' Shield*
- *U11 - The G.R.Paton 'Spirit of Rugby' Shield*

It is the only award we know of that includes the behaviour of the crowd as one of the criteria. So a chat to your parents about how and what they yell out from the sidelines is probably in order before we start. Unfortunately, we have seen teams become ineligible from game one when a rogue parent/coach decides it is a good idea to yell at the referee – don’t be that team.

Looking forward to meeting you all in Mudgee.

## TENTS AT GLEN WILLOW

It has been raised that clubs would most likely bring small tents to set up – see below a map showing where this can happen. **Anywhere where the red lines are they can set up tents and we will mark irrigation in those areas.** Just no tents pegs longer than 200mm can be put in the ground.
