

EXOSHIELD

ULTRA

CARE & WARRANTY INFORMATION

Thank you for choosing ExoShield ULTRA! Please follow these instructions to help maximize the life of your windshield protection & keep this folder along with proof of purchase, as it may be needed in the event of a warranty claim.

FOR THE FIRST

72 HOURS

DON'T SOAK IT.

Avoid car washes, driving in rain, or using wipers when possible.

LET IT DRY.

Expose ExoShield to the sun for the first few days to speed up curing.

GIVE IT TIME.

You might see some distortion initially. This disappears once ExoShield is cured.

DON'T FORGET TO REGISTER YOUR EXOSHIELD WARRANTY!

Your ExoShield windshield protection film comes with 3-year limited warranty coverage. See [getexoshield.com/warranty](https://www.getexoshield.com/warranty) for the full coverage details.
