

Upcoming Wednesday Night Adult Classes (Sept-Oct) :

"The One God & Jesus Christ: Beyond the Basics" - Dustin Smith

For those who already understand the simple truths that the Father is the only true God and that Christ is the human Son of God, this intermediate class will explore deeper biblical topics. We will examine how God shares His titles with His agents, how Christ functions as the agent of the only true God, the question of Jesus' preexistence, and how to understand the Wisdom Christology presented in the New Testament. All ages are welcome!

"The Final Kingdom: Understanding the Last Days, the Tribulation, and the Reign of Christ" - Pastor Andy

This 8-week study explores God's sovereign plan for the end of the age, from the signs of the last days to the events of the tribulation and the ultimate establishment of Christ's Kingdom. Together we will examine the bible tracing God's timeline from prophecy to fulfillment. Each week will focus on how believers should live with discernment, courage, and expectation as we await the return of our King.

A new *Adult Sunday School Class* will begin in October & continue through December. It will be on prayer, Holly Durham will be teaching the class and it will be in room B202.
