Youth Calendar…

The idea is to have an ongoing calendar of scheduled sporting events, chorus/band/piano performances, any activity your child is involved in that we can pray about, encourage them about or possibly attend to support them. We want our youth to know how important they are to us all and show them support/encouragement!

Please send your name, child’s name, sport/event, date, time and location. (May send entire season schedule) Send to email: amylmc30@yahoo.com or text to Amy at (864) 380-9123. Will make a hard copy in print in the future and give you details on how to access online schedule once designed.
