Your Passion. Our Culture.
ROADSHOW

Discover Sargento Culture at PFMA!

- 🧀 Feb. 19 | 10 a.m.–2 p.m.
- 🧀 Booths 520–522 (near the food tables)

Connect with Sargento employees, hear real Maintenance Technician career stories, and experience what makes Sargento unique. Enjoy a live cheese grader demo, sensory tasting with a food scientist, and Cheese Wheel Trivia with themed prizes. Meet members of the Sargento Maintenance Tech Family and sign up for the Sargento Talent Community to stay connected and learn about open roles.

THURSDAY, February 19th, 2026

Free Admission to These Seminars Presented by PFMA Exhibitors

CONFERENCE AREA A: 12:30 PM- 1:30 PM

Hidden Insights: How Preliminary Environmental Inspections Drive Better Outcomes

Presenter: Justin Zoellner, Project Manager/Estimator, Balestrieri Environmental & Development Inc

Explore the crucial role of Preliminary Environmental Inspections in construction and demolition projects - what they are, why they matter, and the risks of skipping this vital step. Through real project examples, we'll show how early environmental insight protects building owners, streamlines planning, and sets the stage for safer, more efficient project execution.

CONFERENCE AREA B: 12:30 PM- 1:30 PM

The Future of Facility Protection: How Hi-Tech Water Treatment Simplifies Maintenance

Presenter: John Atlee, President, Water Doctors

Facility maintenance is going hi-tech, and water systems are leading the way. Learn how smart leak detection and advanced water treatment tools make protection easier, safer, and less labor-intensive while helping facilities avoid costly damage.

CONFERENCE AREA A: 2:00 PM- 3:00 PM

Running a Business and a Fleet is Hard. Managing it Doesn't Have to Be.

Presenter: Jim Little, Director of Fleet Solutions, Lynch Truck Center

For small businesses, fleet management often falls on owners and managers who already wear too many hats. Rising repair costs, downtime, and vehicle replacement decisions can quickly become overwhelming. Lynch Fleet Management Solutions will share a simple, real-world approach to fleet management.

CONFERENCE AREA B: 2:00 PM- 3:00 PM

All Things AHU

Presenter: PremiStar

Discussion on the differences between custom designed and packaged air handlers and the best application for both.
