# ABOUT MENDING KIDS

Mending Kids provides **free life-saving surgical care** to sick children worldwide by deploying volunteer medical teams and supporting communities to become medically self-sustaining.

Our mission extends beyond borders, reaching thousands more through our hands-on training and exchange of knowledge, making our impact immeasurable and everlasting.

## Since 2005:

- **6,100+ children mended directly**
- **78 countries reached (including the USA)**
- **216+ Surgical Trips Completed**
- **1 Million lives touched.**

# WHY WE HIKE

A 3-mile community hike (or walk) to raise awareness and funds for Mending Kids' surgical missions around the world. Every step represents a child's journey to access life-saving surgical care.

Inspired by Joel, a young boy in Tanzania, dying of heart disease, whose aunt **walked 700 miles to get him to care.** He survived. Many more need our help.

## SPONSORS FUND THE MISSION. HIKERS FUEL THE MOVEMENT.

Hike to Mend is **FREE** to join and open to the entire community. We ask participants to consider a suggested donation of \$25 or more to help us fund life-saving surgical care for children.

Thanks to our generous sponsors, this event remains accessible and welcoming while directly supporting Mending Kids' work at home, and around the world.

# WHY SPONSOR?

Align your name or brand with purpose.

Hike to Mend offers:

- Visibility from commitment through event wrap-up, including newsletters, website, and social media
- Sponsored social media ads and posts promoting your support to a mission-aligned audience
- Opportunities for your organization to participate and lead in a local, family-friendly event
- A platform to provide meaningful community service opportunities for teens and youth groups
- Authentic impact. Your support helps provide surgical care for children in need

# WHAT YOUR SPONSORSHIP MEANS

## **\$25,000 - PRESENTING**

Sponsors a cardiology mission to Central America that mends 12 to 15 hearts or pays the hospital fee that allows us to treat up to 100 ENT cases in one week

## **\$10,000 - HERO**

Funds the purchase of critical medical supplies for large missions to Guatemala, Tanzania, or Mauritius

## **\$5,000 - MEND**

Covers the flights of 3 medical volunteers on a plastics surgery mission to Armenia, or a colorectal mission to Paraguay

## **\$2,500 - LOVE**

Pays for the flights of a patient and child to receive care in India or the supplies for one open-heart surgery on a cardiac mission

## **\$1,000 - HOPE**

Mends an orthopedic patient in Cambodia or one through our US Hometown Mission

## **\$500 - BUTTERFLY**

Ships donated critical medical supplies worth thousands of dollars more, or flies one medical volunteer to Central America
