

Hike Mend

Presented by Mending Kids

**Every step we take honors the families who walk for days
in search of life-saving care**

OCTOBER 3, 2026, 8AM-11AM
CHEESEBORO & PALO CAMADO CANYON,
AGOURA HILLS, CA

ABOUT MENDING KIDS

Mending Kids provides **free life-saving surgical care** to sick children worldwide by deploying volunteer medical teams and supporting communities to become medically self-sustaining.

Our mission extends beyond borders, reaching thousands more through our hands-on training and exchange of knowledge, creating lasting impact through training, mentorship, and knowledge exchange.

Since 2005:

- **6,100+ children mended directly**
- **78 countries reached (including the USA)**
- **216+ Surgical Trips Completed**
- **1 Million lives touched.**

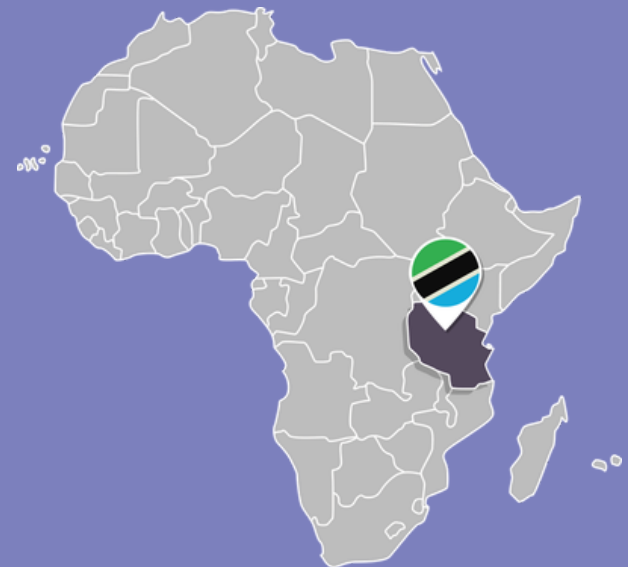

WHY WE HIKE

A 3-mile community hike (or walk) to raise awareness and funds for Mending Kids' surgical missions around the world. Every step honors a family's journey to find care for their child.

Inspired by Joel, a young boy in Tanzania, dying of heart disease, whose aunt **walked 700 miles to get him to care.** He survived. Many more need our help.

WHY PARTNER WITH HIKE 2 MEND?

Hike 2 Mend is Mending Kids' annual community fundraising event, bringing together supporters, families, volunteers, medical professionals, and local businesses around a shared purpose.

Sponsors receive visibility before, during, and after the event through digital promotion, social media, event signage, participant communications, and on-site recognition.

Most importantly, sponsors help ensure that children receive life-saving and life-changing care regardless of where they are born.

- 9th Annual Community Event
- Family-Friendly Audience
- Employee Engagement Opportunity
- Strong Community Visibility
- Meaningful Brand Alignment

SPONSORS FUND THE MISSION. HIKERS FUEL THE MOVEMENT.

Hike to Mend is **FREE** to join and open to the entire community. We ask participants to consider a suggested donation of \$25 or more to help us fund life-saving surgical care for children.

Thanks to our generous sponsors, this event remains accessible and welcoming while directly supporting Mending Kids' work at home, and around the world.

WHY SPONSOR?

Align your brand with a trusted nonprofit and a meaningful community event.

Hike to Mend offers:

- Visibility from commitment through event wrap-up, including newsletters, website, and social media
- Sponsored social media ads and posts promoting your support to a mission-aligned audience
- Opportunities for your organization to participate and lead in a local, family-friendly event
- A platform to provide meaningful community service opportunities for teens and youth groups
- Authentic impact. Your support helps provide surgical care for children in need

WHAT YOUR SPONSORSHIP MEANS

Examples of the impact your sponsorship can make.

\$25,000 - PRESENTING

Sponsors a cardiology mission to Central America that mends 12 to 15 hearts or pays the hospital fee that allows us to treat up to 100 ENT cases in one week

\$10,000 - HERO

Funds the purchase of critical medical supplies for large missions to Guatemala, Tanzania, or Mauritius

\$5,000 - MEND

Covers the flights of 3 medical volunteers on a plastics surgery mission to Armenia, or a colorectal mission to Paraguay

\$2,500 - LOVE

Pays for the flights of a patient and child to receive care in India or the supplies for one open-heart surgery on a cardiac mission

\$1,000 - HOPE

Mends an orthopedic patient in Cambodia or one through our US Hometown Mission

\$500 - BUTTERFLY

Ships donated critical medical supplies worth thousands of dollars more, or flies one medical volunteer to Central America
