# Changing the lives of animals, one day at a time.

## Who We Are

The Foundation for TJO Animals is dedicated to helping the animals at the Thomas J. O'Connor Animal Control & Adoption Center. Your sponsorship provides the much-needed, and sometimes lifesaving, veterinary care that sets our animals on the path to their loving homes. Follow us on Facebook or check out our website at [www.tjofoundation.org](http://www.tjofoundation.org) for more information.

## Impact of Sponsorship

Your sponsorship will go a long way in supporting the continued efforts of the Foundation and the TJO Shelter. Annually, the TJO shelter helps over 3000 animals from our community. Our events will raise dollars for veterinary services and care including, but not limited to, microchipping, vaccinations, spay/neuter surgeries, diagnostics, and dental care. Your support will change the lives of countless animals and their human families.

## Impact by the Numbers (Data From 2024)

**699 Surgical Procedures**  
performed by the vet team.

*Total reflects only in-house surgeries; many others were funded off site due to no full-time vet.*

**4,341 Total animal control**  
officer (ACO) calls  
responded to.

**1,814 Animals that found**  
homes via adoption or  
reunification.

**2,481 Total stray intakes.**
