## **Introduction**

The Oak Forest Academy Student/Parent Handbook is published by the Administration and Board of Directors and is distributed to the students, parents, faculty, and staff. The purpose of this handbook is to provide helpful and pertinent information concerning all aspects of student life at Oak Forest Academy.

The Administration and Board of Directors try to anticipate as many circumstances as possible. However, if new and/or unusual circumstances arise, the Administration and Board of Directors have the authority to use their discretion in whatever circumstances the handbook may not address. If necessary, the Administration and Board of Directors have the right to amend the handbook when and/or if necessary.

## **Dedication**

Oak Forest Academy is justifiably proud of its campus and traditions. This handbook is dedicated to our students, parents/guardians, faculty, staff, and all others who make our school a reality by their endless generosity, hard work, and dedication.

## **Mission Statement and Beliefs**

**Mission:**

Oak Forest Academy strives to create a challenging, orderly, safe and supportive learning environment in which all students will be educated and enabled to become accountable, contributing, responsible, and successful citizens.

Oak Forest Academy aspires to accomplish our mission through the following beliefs:

- Academics and student learning are chief priorities.
- Providing a well-balanced educational program promotes a student's individual academic success.
- Creating a disciplined environment promotes student learning.
- Holding students to high standards encourages better decision-making and strengthens individual morals.
- Positive relationships and mutual respect between students and faculty enhances a student's learning and self-esteem.
- Setting short and long term educational goals leads to a lifelong career and/or profession.
- Enabling students to act and think independently enables them to become active and contributing citizens.

## **Historical Sketch**

In February of 1969, a group of teachers and interested parents met in Amite and agreed to form a new school. A ten-acre plot of land was purchased from the McClendon Estate. In July of 1969, ground was broken and cleared by Mr. Emile J. Courtney and Mr. Stanley Anderson. The concrete block building (the present Elementary school), which housed ten classrooms, was built by Amite Building and Supply. The first classes were held in October of 1969 for grades 1st-9th. Mrs. Betty Harrelson served as Principal and second grade teacher. Other original faculty members were Allie Hyde, Marilyn Dees, Sue Frey, Grace Knighten, Mary Barbara Kinchen, Katherine Raborn, Julia Kemp, and Ruby Thompson. The original Board of Directors were Jack Lindsay, Gordon Daniels, Fred Anderson, Roy Stewart, Jr., and Doug Kent. Kenneth Courtney

and Lee Gray were added to the Board in July of 1969; and Hank Brumfield and Donald Houeye were added in December. A contest was held for the students to select the school name, mascot, and school colors. Student entries were submitted to the Board of Directors, who made the final decision of Oak Forest Academy, Yellow Jackets, black and gold.

## **Educational Boards**

State Board of Education:

Oak Forest Academy is approved by the Louisiana State Board of Elementary and Secondary Education for non-public schools; and as such, it adheres to the educational standards established by the BESE Board.

Midsouth Association of Independent Schools (MSAIS):

Oak Forest Academy is a member of the MSAIS. There are 120 schools in this organization. Each school pays a membership fee based on the number of students on the last day of each previous school year. Oak Forest Academy participates in the MSAIS athletic programs and meets all educational and athletic regulations required for these activities.

Cognia (Formerly AdvancED):

Oak Forest Academy is accredited by Cognia, which was created through a 2018 merger of AdvancED and Measured Progress. In 2006, AdvancED was formed from PreK-12 divisions merging the North Central Association Commission on Accreditation and School Improvement (NCA CASI) and the Southern Association of Colleges and Schools on Accreditation and School Improvement (SACS CASI); and expanded through the addition of the Northwest Accreditation Commission (NWAC) in 2011. Oak Forest Academy was listed on the International Registry of Accreditation by AdvancED.

## **Code of Conduct for Students and Parents/Guardians**

Receiving a quality, morally based education can best be served when students, parents/guardians, faculty, staff, Administration, and the Board of Directors work together. These relationships should be centered on mutual respect, communication, and courtesy. Normally, differences between these individuals are resolved. However, in some rare cases, the school may find it necessary, in its discretion, to require the parent/guardian to withdraw their child(ren).

It shall be an express condition of enrollment that students and their parents/guardians behave in a manner that is consistent with, but not limited to, the school's philosophy, objectives, policies, or principles set forth in the handbook. Our principles include, but are not limited to, the following:

- Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting academic, moral, and behavioral expectations.
- Students and parents/guardians may respectfully express their concerns about the operations of the school, faculty, staff, Administration, or Board of Directors. However, it should not be done in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive. If a parent or student communicates in any medium (social media, email, newspaper, television, etc. ) any derogatory or offensive message concerning the school, its teachers, administrators, board members or another student(s), then the parent(s)(and their children) and/or student will be subject to discipline, up to and including expulsion, based solely on the Board and Administration's determination.

- These expectations for students and parents/guardians include, but are not limited to, all school sponsored programs and events.

The school reserves the right to determine if an action falls short of the principles of Oak Forest Academy. Failure to follow these principles may result in a verbal or written warning to the student and/or parent/guardian or more severe discipline, including suspension of the student, withdrawal of the student, or suspension of the parent/guardian's privilege to come on the school's campus and/or attend or participate in any school activities.

## **Section I - Administrative Policies**

### **A. Organizational Setup**

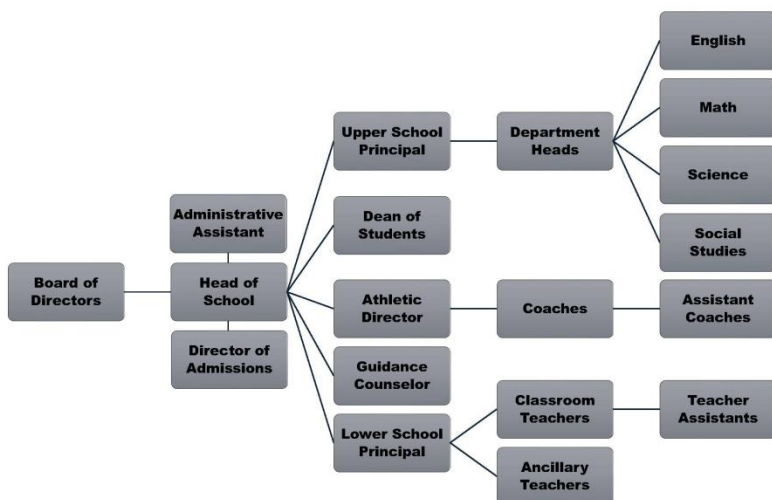

#### **Charter and Board of Directors:**

Oak Forest Academy was chartered by the State of Louisiana in 1969 under the name of Amite Independent School Corporation. The school is governed by an eleven member Board of Directors. The Directors are elected by the General Membership to serve a rotating three-year term (four new members are elected each year). The Board strives to have at least one member from each geographical area that the school serves. Each year the Board elects a President, Vice-President, Secretary, and Treasurer (these offices may be combined under one person, such as Secretary/Treasurer) to serve one year terms. The Board of Directors is charged with the management of all affairs of the corporation subject to the provision of its articles of incorporation and its By-laws. The Board meets regularly on the third Monday of each month. Special meetings can be called by the President or Vice-President when necessary.

## General Membership Meeting:

There is an annual meeting of the membership of the corporation as determined by the Board of the Directors. Notices are mailed to all shareholders not less than 5 days prior to the meeting. The purpose of this meeting is to elect new board members, cover financial statements, and any other business that may properly come before the meeting.

Organizational Flow Chart:

## B. Grievance Procedure

Oak Forest Academy recognizes that harmonious relations with its faculty, staff, parents/guardians, and students can be maintained and improved through effective communications. The Board of Directors adopted the following grievance procedures as a means to examine and resolve possible problems, which relate to the administration of policies of the school.

### Definition:

A grievance is a claim by an employee or parent / guardian,

stating there has been a misinterpretation, misapplication, or violation of a contract, school policy, law, or a constitutional right.

### **Procedure:**

Any grievance claims shall promptly be presented to the Head of School in writing. Such notices shall be presented no later than five working days after the day on which the alleged grievance occurred. Included with the grievance shall be a detailed listing of all facts that support the position. Also, list the names of any witnesses. These witnesses will be questioned and may be asked to submit signed statements during the grievance process. The Head of School will then schedule a conference with the individual making the claim in an attempt to resolve the grievance. A written decision by the Head of School must be rendered within five working days after receipt of the grievance. The grievance procedure is the only acceptable manner in which Oak Forest Academy acknowledges complaints.

Any public display of outrage by a parent/guardian, student, or faculty member will not be tolerated and will be dealt with accordingly.

If any parent or student files a lawsuit against the school, its Board or administrator(s) in any court, or files a complaint/grievance with any public body, challenging a decision made by the Head of School and/or Board of Directors, against the school, its administrators or directors, such action will be grounds for immediate discipline up to and including expulsion of the student.

## **C. Admissions**

### **Statement of Admissions:**

Oak Forest Academy does not discriminate on the basis of race,

color, national, or ethnic origin in administration of our educational policies, admission procedures, or school-administered programs. However, we do reserve the right to deny admission to or dismiss from the school any student who cannot benefit by the OFA experience based on his/her past academic achievement or whose personal lifestyle is not in harmony with the stated philosophy, objectives, or policies of Oak Forest Academy, or who does not fit into the spirit of the school, regardless if the student has kept all the rules of the school.

There is a 90 day probationary period for all students who enter Oak Forest Academy. During this time, students are evaluated for both academic and behavioral traits. Also, during this time, students may be advised to return to a lower grade if academic proficiencies are noted; and students with major academic and/or behavioral problems will be dismissed from Oak Forest Academy. In such a case, the membership fee will be returned and the membership is voided. However, registration fees and tuition for the 90 day probationary period are not returned.

Additionally, since the operation of the school depends upon the collection of tuition, the ability of the applicant for admission to meet their financial obligations will be a factor in the consideration for admission approval.

### **Membership and Admission:**

In order for a student to attend Oak Forest Academy, a family membership must be obtained. A formal membership application must be submitted to the Board of Directors for approval and a membership fee paid. Details of this procedure are set forth in the Charter and By-laws of the school. To register for classes, a Building and Maintenance Fee for each child must be paid each year. Upon entering Oak Forest Academy for the first time, complete registration forms for each student must be completed. If the student is transferring

from another school, Oak Forest Academy requests all records of the student from the previous school.

To enter K3 and K4, students **must be potty trained by the start of the school year**. (Potty trained is defined as using the restroom with minimal assistance. Potty trained children do not wear diapers or pull-ups.) “OFA Potty Training Guidelines” are sent to all new K3 and K4 parents/guardians upon acceptance each year.

Age requirements to start school are as follows:

- K3 - Must be 3 years old on or before September 30<sup>th</sup> of the school year.
- K4 - Must be 4 years old on or before September 30<sup>th</sup> of the school year.
- Kindergarten – Must be 5 years old on or before September 30<sup>th</sup> of the school year.

No student who is married, previously married, pregnant or a biological parent will be allowed to enter school or to continue as a student at Oak Forest Academy.

### **Continuous Enrollment:**

A Master Contract Agreement is in place throughout your student’s years at Oak Forest Academy. This contract is perpetual and automatically renews on February 1st for the continued enrollment of your student. However, you may send an opt-out letter or email before February 1st to withdraw your student for the following year without penalty. Should you decide to return after opting out, you **MUST** contact the Admissions Department to reinstate your Master Contract Agreement. Each year, you will receive tuition information for the following school year prior to February 1st.

Students will be registered and given priority in the following order and must register during the designated registration period:

**First Priority:** Students currently enrolled in Oak Forest Academy and children of faculty members at Oak Forest Academy.

**Second Priority:** Siblings of currently enrolled students and students entering Oak Forest Academy who had a sibling that graduated from Oak Forest Academy within a three-year period must register within the designated registration period.

**Third Priority:** Children of alumni must register within the designated registration period.

**Fourth Priority:** Students who did not attend Oak Forest Academy the preceding year or those who were enrolled the previous year but withdrew before the end of the year.

To qualify as a sibling, the child must be physically residing in the same residence as the sibling and the OFA member must have legal and physical custody of the child.

Once a child has completed the registration process, he/she will begin the admissions process to determine acceptance into Oak Forest Academy.

If a registered student does not report to school on orientation day, the place will be held for a period of two weeks. During this time, the school will try to contact the parent/guardian to see if the child will attend Oak Forest Academy. At the end of the two weeks, the place will be filled if needed. Also, if Oak Forest Academy receives a request for that student's records from another school, the place will be filled. The admission fee and other fees will not be refunded.

## D. Tuition and Fees

### Membership Fee:

*\$1,000.00 per family (effective January 1, 2022)*

Membership fees are payable at the time application for membership is made. This fee must be paid before any action on the application can be taken. Once approved, this fee is non-refundable and the membership is **non-transferable**.

### Building & Maintenance Fee:

*\$600 per family* -The funds provided by this fee maintain our campus facilities and technological needs. Additionally, these funds allow capital improvements to our campus.

1. Annual Payment
2. 12 Month Bank Draft
3. 10 Month Bank Draft

### Class Fees:

Class fees or dues are collected from all Upper School students (7th-12th grade) to defray the cost of activities. This is a non-refundable fee of \$10.00 that is due at Chromebook pick-up. Other clubs that students and parents may join are responsible for the collection of their own dues and fees.

## **E. Student Insurance**

Oak Forest Academy provides all students a supplemental accident insurance policy. This supplemental policy will cover students for accidents that occur during the school day or during a school sponsored activity, including athletic events. Claims cannot be made until a personal insurance policy claim is filed. Subsequently, a claim may be filed with the school's insurance carrier. Claim forms may be obtained in the main office.

## **F. School Closure due to Severe Weather**

### **Prior to school opening:**

If there is a tornado or hurricane warning issued for Tangipahoa or St. Helena Parish, all families will be notified via a Parent-Alert.

### **During school hours:**

Action taken will be based upon existing conditions and what is believed to offer the best protection for the students. Procedures for safeguarding the students are setup, and drills

for such are conducted. In most cases of severe weather, a student is as safe at school as he/she would be anywhere. If the school is closed during the day, you will be notified via Parent Alert and social media. Please **do not** contact the school unless these communications cannot be received.

Additionally, in winter, if snow or ice has accumulated on roads and/or bridges or is forecast to do so, school will be closed automatically.

## **G. After School Care**

After school day care is provided on Mondays through Fridays for students in K3 - 6th grade from 2:45 pm to 5:30 pm.

**Administrative placement will be considered using the following guidelines:**

1. A student will be retained no more than a total of two times during the first eight grades.
2. A student cannot graduate from 8th grade unless he/she has passing grades as outlined.
3. A conference to determine a questionable placement will be held upon request with parent/guardian, teachers, and the Principal.

**Retention Policy:**

If a parent disagrees with the retention, they may say so in writing within 5 days after the student has been retained. The parents will have the summer to remediate the student. An entrance exam will then be given for the next grade level two weeks before the starting date of school. It is the parents' responsibility to contact the school for a testing appointment two weeks before school begins. Test score must be a 75% or higher on the entrance exam for the subject causing the retention to be promoted to the next grade.

**E. High School Curriculum**

**Classifications of Students:**

Please note: Tops Core GPA is calculated using only the 19 Tops Core Curriculum classes. The overall GPA is calculated using all courses taken for a Carnegie unit. You must have 24 units to graduate. 2 units of Physical Education are also required to graduate.

Because graduation requirements call for a total of 24 units, each student should take seven classes a day, except for seniors, who can schedule fewer than seven and have the proper number of units to graduate. Juniors may leave after 6 hours as long as their P.E. credits have been satisfied. Students have two weeks after the beginning of school to add and/or drop classes. Freshmen and Sophomores must take six academic courses and a physical education class.

Oak Forest Academy will not accept the GED test as meeting the requirements to participate in graduation. College early admissions students may participate in graduation after a registration fee has been paid. Requirements for early admissions are set by the Louisiana Department of Education.

## **Criteria for Valedictorian and Salutatorian:**

Valedictorian and Salutatorian will be selected from the students with the highest and second highest final **numeric average** (not GPA). Only students who have taken the TOPS Core Curriculum and who have attended Oak Forest Academy for four consecutive years (grades 9th – 12th) are eligible for these honors. In the event of a tie, those students tied will share the recognition of Valedictorian or Salutatorian.

### **Criteria for Honor Graduates:**

Honor Graduates will be determined by cumulative GPA beginning in the 9th grade or when high school credits are earned. To be an Honor Graduate a student must have an overall GPA of 3.0. A graduate with High Honors must have an overall GPA of 3.5. Highest Honors will be for graduates with a 4.0 overall GPA.

**Please Note:** The graduation requirements stated above are only the requirements for graduation from Oak Forest Academy. If a student is interested in attending college, then he/she should be certain that the admission requirements to that college are met as well. College entrance requirement information can be obtained from the Guidance Counselor.

### **Regulations to consider when scheduling classes:**

1. A junior or senior must have permission from the Principal to take a freshman or sophomore level course.
2. A senior with proper credits earned and/or scheduled may be excused part of the day to go to work at an approved job or to work at home. A written statement or work permit from the employer or parent must be submitted to the Principal. This statement will be recorded by the Principal in the student's file. A minimum of four academic subjects must be scheduled.
3. Once classes begin, students have one week to drop and/or add classes. But after one week, no changes are allowed.
4. Prerequisites must be taken for the following classes:
  - Algebra I is a prerequisite for Algebra II
  - Biology I is a prerequisite for Human Anatomy & Physiology
  - Foreign Language I is a prerequisite for Foreign Language II

## **Section III - Student Policies**

All rules and regulations stated in the Statement of Admissions and Code of Conduct will be adhered to. In addition, students must observe the following regulations and policies. These rules are in effect for the purpose of providing a school environment in which each student can take full advantage of all opportunities to achieve a quality education, and take part in meaningful activities.

Students are to conduct themselves in a proper manner at all times, both in the classroom and on the campus, and at all school sponsored activities, on campus and away from campus. The lack of discipline on the part of any student will not be tolerated. Failure to comply with all regulations will result in disciplinary action being taken against the student. Minor acts of misconduct will result in detention and/or restrictions placed on the student. Progress reports for such students will show a need for improvement in behavior and/or attitude.

**1st Offense:** The parent/guardian will be notified of the violation.

**2nd Offense:** The parent/guardian will be notified of the violation and the student will remain in the office until the parent arrives with proper attire and the student will receive an afternoon detention. It is the student's responsibility to make up work missed.

**3rd Offense:** The parent/guardian will be notified of the violation and the student will remain in the office until the parent arrives with proper attire and the student will receive a Saturday detention (8:00

a.m. - 12:00 p.m. and a \$50.00 fine). It is the student's responsibility to make up work missed.

**4th Offense:** Student will serve a 2-day suspension from school. Upon return to school, the student and his/her parents will be required to meet with the Principal and/or Dean of Students.

## **B. Gender Segregation**

Oak Forest Academy aims to support all students while ensuring their safety, comfort, and privacy; and ensuring equal opportunities for students to participate. Thus, as a general rule, students should be separated by gender in overnight school activities (i.e. field trips, lock-ins, etc.), as well as the use of separate restrooms and locker rooms. A student's gender should be determined by that which is stated on their birth certificate.

## **C. Attendance**

### **Absences from School:**

Regular attendance by a student is necessary in order for the student to do his/her best work. Students K-12th grade must not be absent more than 8 days per semester.

When it is necessary for a student to be absent from school, parents/guardians of grades K3-6th are to notify the teacher(s) via email by 7:55 am; and parents/guardians of students 7th-12th are to notify the Dean of Students via email by 7:55 am. Students are responsible for work missed due to any circumstances.

Absences are classified according to the following designations:

**Accepted (Medical) Absence:** Day(s) not to count on the 8-day rule because the absence was for a doctor-excused period of illness, funeral services of close family members, school functions or for circumstances approved by the Principal. Doctor excuses are to be presented within **two days** upon students returning to school to be counted as an accepted absence (including the day student returns). An excuse should be dropped off, emailed to the attendance secretary, or faxed to 985-748-4320.

**Excused (Parent) Absence:** Day(s) to count on the 8-day rule. Within two days of returning to school, the student must bring a note from a parent/guardian requesting that the student be excused. The note should also include a specific and legitimate reason for the student's absence. If the reason for the student's absence is unclear then the absence will be marked as unexcused. **THIS FORM OF EXCUSE WILL BE LIMITED TO 5 PER SEMESTER.** An excuse should be dropped off, emailed to the attendance secretary, or faxed to 985-748-4320.

**Unexcused Absence:** Day(s) to count on the 8-day rule, and make-up work is required, with a maximum of 50% grade earned on all assessments missed during the absence. Absences due to oversleeping, missing a ride to school, car trouble, rain, vacation (or going out of town), visiting friends or relatives, helping to care for others in the family, etc. will be unexcused unless permission is granted by the Principal **BEFORE** the absence.

**\*Any student checking out after 12:00pm will be assessed a half day's absence.**

### **Parents will receive notifications as follows:**

- 3rd absence without doctor's excuse
- 5th absence without doctor's excuse
- Students with excessive absences will be referred to the 21st Judicial District Court in accordance with Louisiana State Law.
- Should your child reach 8 absences that are NOT excused by a doctor, they will receive No Credit classification and be required to make up that credit the following school year.

### **Make-up Work:**

After returning to school, students who have **accepted or excused absences** have one class day for every day they missed to makeup work (not counting the day of return). The teachers will work with students so that make-up work for eligible students can be completed in a timely manner, but it is the sole responsibility of the student to see his/her teacher(s) about making up work. Unless agreed upon by the teacher, this time period would never exceed the number of days missed plus one day.

1. **If the student does not make up the work in the allowed time, the teacher can give a grade of zero (0) for the days missed, even though the student was excused for the absence.**
2. Students checking out or attending a school related function prior to taking a pre-scheduled test must inform their teacher of their absence. Scheduled tests will be given upon students return to school or if possible taken prior to leaving school.
3. For an extended illness, special arrangements can be made with the teacher and/or Principal.

### **Tardiness:**

Being punctual is extremely important to your child's academic

success. The homeroom bell rings each morning at 7:55 a.m.; and the tardy bell rings at 8:00 am. During the day, a tardy bell rings three minutes after each class begins. Students entering class after that time will be considered tardy. If a student does not enter the classroom within 20 minutes after the period starts, he/she is counted absent and that absence will apply on the 8-day rule if it is unexcused.

- 5 unexcused tardies = \$25.00 charge and (1) unexcused absence with work in classes being unexcused for that class.
- 10 unexcused tardies = \$50.00 charge and (1) unexcused absence with work in classes being unexcused for that day.
- 15 unexcused tardies = \$100.00 charge and (1) unexcused absence with work in classes being unexcused for that class.
- After 15 tardies each additional tardy will be a \$25.00 charge.

Tardies count start over each semester.

Any student who is caught “cutting” class will be disciplined as follows:

- 1st offense, Saturday detention and \$50.00 fine.
- 2nd offense will result in a 2 day suspension.

### **Participation in School Activities:**

Students must be present at least **four hours** during the school day to participate in any school activity for that day, including athletic events, unless special permission is given by the Principal or his/her designee. Special arrangements should be made prior to the absence.

## **D. Drug Testing Policy**

Students, faculty, and staff are chosen on a random basis. Therefore, if a student is selected, it in no way indicates that he/she is suspected of drug use. A urine sample will be taken at school and sent to a laboratory for analysis.

Positive results will be handled as follows:

- a) The Administrator will schedule a conference with the student's parent/guardian.
- b) Additional drug testing will be required through the school at the parents'/guardians' expense in order to continue enrollment at Oak Forest Academy.
- c) A professional evaluation and possible counseling may be required at the parents'/guardians' expense in order to continue enrollment at Oak Forest Academy.
- d) Dismissal will occur after receiving a second positive drug test.

## **E. Plagiarism**

Plagiarism is defined as “the taking of someone else’s words or ideas and presenting them as your own without proper documentation or proper citation” (Hodges Harbrace Handbook, 478-479). Removing a few words, replacing a few words, or even using the same sentence structure of another, is considered plagiarism too. Committing plagiarism is taken very seriously at Oak Forest Academy. Therefore, the OFA English Department will effectively communicate the various forms of plagiarism at the beginning of the school year to grades 7-12. The OFA English department will utilize software to detect plagiarism. This tool will help us be more effective in our

instruction. Any work that is deemed to be plagiarized will be reviewed by the English department head and administration.

The use of AI tools (such as ChatGPT, Google Gemini, Grammarly Go, etc.) must be clearly cited if any content, ideas, phrasing, or structure from those tools is incorporated into a student's work. Failure to credit the use of AI tools will be considered a form of plagiarism. Students should consult with their teacher for specific guidance on how to cite AI use appropriately.

### **Degrees of Plagiarism:**

I. A **first** degree violation may occur due to inexperience on the part of the student. An example of plagiarism at this level may involve a student's using a paragraph or a few lines of text without citing the material properly. However, most of the paper is the student's own work. This also includes the use of AI generated content comprising 10-20% of the assignment.

Recommended procedures for first-degree violations are outlined below; any one or more procedures may be chosen:

1. A chance to make-up the original assignment.
2. A one letter grade reduction on the original assignment which will be the same for all teachers.

II. A **second** degree violation is considered a more serious plagiarism offense. Examples of this violation include the use of one or more paragraphs of another's ideas and/or works without correct citation. Incorrect citation may often take the form of improper paraphrasing. Although some of the work is the student's, it is evident that much of the work has been taken from other sources and not referenced. This includes copying another student's homework/classwork or allowing your

homework/classwork to be copied. This also includes the use of AI generated content comprising 25-50% of the assignment.

Recommended procedures for second-degree violations are outlined below. Any of the following procedures may be chosen.

1. A grade of 0 on the assignment.
2. A letter in the student's academic files detailing the offense.
3. Notification to the parent and a Saturday Detention.

III. A **third** degree violation is a severe case of plagiarism and indicates the majority of a student's work has been taken from another source or sources and not referenced. An example may be the use of a purchased term paper or other materials as one's own. Also this violation may involve improperly acquiring information and / or intentionally altering it, i.e. citing sources that are not actually sources. This includes the use of AI generated content comprising more than 50% of the student's work. In addition, a third degree violation occurs when a student has been found guilty of plagiarism in a prior instance. In this instance a committee meeting will be held to discuss what will happen.

Recommended procedures for third degree violations are outlined below. Any of the following procedures may be chosen.

1. A recommendation that no credit be given for the original assignment.
2. A letter in the student's academic files detailing the offense.
3. Notification to the parents.
4. A reduction in overall course grade for the semester by 1 letter grade.
5. Out-of-school suspension for 2 days with no makeup work allowed.

**Special note:** Any repeat of a degree 2 or degree 3 violation may result in DISMISSAL from Oak Forest Academy.

  - a. prepare a written report containing the findings of the investigation, including input from students' parents or legal guardians, and the decision by the school official. The document shall be placed in the school records of both students. If completed entirely, the bullying investigation form may serve as the report;

  - 2nd Offense: Offender(s) will serve a 3 day out-of-school suspension and undergo emotional counseling at the parents' expense.
  - 3rd Offense: Expulsion from school.

## **G. Social Media**

In the spirit of respect for Oak Forest Academy, the use of technology should in no way embarrass, threaten, or defame another student, faculty or staff member, Administration, the Board of Directors, or the school itself. Posting inappropriate material on any social networking or other websites can lead to disciplinary action. Additionally, students should be aware that electronically transmitting inappropriate images of themselves or others is an illegal activity and the school reserves the right to act on this type of behavior.

## **H. Electronic Devices and Cell Phones**

Students will be issued a Chromebook at the beginning of every school year. Chromebooks are the only laptop or computer device that is allowed on campus. The Chromebook issued is the property of Oak Forest Academy and not a personal device. This Chromebook is on loan to the student and must be used in accordance with the policies and procedures and the school's Acceptable Use Policy. Use of the Chromebook is a privilege that carries responsibility and behavioral expectations consistent with all school rules and

policies. These resources are provided for educational purposes only and are intended to support the learning objectives of Oak Forest Academy's teachers. Please understand that there is no expectation of privacy for anything involving the Chromebooks. The school can monitor all activities on these devices. Students and parents must sign the Acceptable Use Policy prior to being issued a Chromebook.

Cell phones or electronic devices should not be used to talk, text, play games, take pictures, or video during school hours (including breaks, carline, lunch, and recess) unless given permission by Oak Forest Academy faculty or staff.

Photographing and/or videoing faculty, staff, students, and visitors is strictly prohibited without permission from Oak Forest Academy faculty or staff. These activities not only create disruptions in the educational environment, but also may infringe on the rights of others.

Further, the school reserves the right to examine all students' cell phones and electronic devices on suspicion of wrong-doing and upon reasonable belief that evidence of such wrong-doing is present on the cell phone or electronic device examined.

## **Lower School -**

Cell phones and electronic devices are not permitted during school hours 7:25am-3:15pm. These devices must be **turned off**, and may only be stored in **designated** classroom locations.
