

JOURNEYS

OF THE SPIRIT

Bhutan with Cally 27 April - 10 May 2026

"Bhutan is the crossroad upon which your spirit meets your physical world, and asks you to reflect upon what is really true for you. If you allow the intrinsic spirit of Bhutan to reach deep within your soul, you will find a peace and joy that lives within you.

All you have to do is be there with the people and country to touch this inner sanctum"

"Bhutan is more than just the prayer flags and pray wheels, it is the heartbeat of a time lost to the Western World. A heartbeat that renews itself every time you spin a prayer wheel or fly a prayer flag. Bhutan takes you on a journey within. All you have to do is be there."

Julianne, November 2011

Imagine a kingdom where happiness is paramount, where culture and tradition remain intact and where Buddhism has predominated since the 7th century

This country is Bhutan, the 'Land of the Thunder Dragon'. Step inside a mystical kingdom floating high amongst the clouds in the Himalayas, a place often romantically referred to as the Last Shangri-la.

This journey takes you on a magical journey across the western provinces and gently weaves through the central Bumthang region of the Drukpa people to follow the trail of Guru Rinpoche, or Padmasambhava, the revered saint who brought Buddhism to Bhutan.

As we head east we will journey alongside the rushing rivers that snake through the valleys of Paro, Thimphu and Wangdue. There is plenty of time to rest and explore in the local villages and mingle with the people that live there. Discover fertile rice paddies, verdant valleys, lush forests, magnificent mountains and pristine rivers that comprise this magical land.

We will venture to central Bhutan region with an opportunity to explore the remote and ancient monasteries and temples. We will have the chance to meet and chat to monks and the caretakers of these precious sites and make offerings to local deities.

On returning to the Western provinces we will also explore the Punakha Dzong, the winter residence of the Je Khempo, who is the head of the Bhutanese monk body.

Before leaving Bhutan we take a day hike to the famous Tiger's Nest Monastery, perched high on a cliff above Paro Valley, to hang prayer flags, to seek blessings and to be present to one of the most extraordinary energetic sites on our planet.

Your 14 day itinerary

Day 1 27 April

Arrival in Bhutan

Fly into Paro and experience breathtaking views of the Himalayan peaks as you descend into this remote land. On arrival in Paro we will be met by Nidup our local Bhutanese guide and one of the most experienced in the country. After a cup of tea to take in the sights and sounds of Paro, we will journey to the 8th Century Kichu Lhakang one of the oldest and most beautiful temples in Bhutan. It is very special Lhakang to visit first on our journey. You can circumambulate the building and spin the numerous prayer wheels around the building. After lunch in Paro you will drive to settle into your hotel.

Overnight in City Heritage Hotel, Thimphu | Meals - Lunch & Dinner

Day 2 28 April

Tango Monastery

In the morning you will head toward Thimphu and skirt the city to head toward Tango Monastery. Walk through beautiful forest and on the way up stop to hang your own prayer flags, sending out a special prayer for whatever you wish! At the top, tour this working monastery and get an insiders view to a day in the life of a Bhutanese monk. If in residence on the day, there may be an opportunity for those interested to seek a private audience with a Trulku or High Lama and receive a blessing!

You will visit the 108 Chortens which were built recently by the 4th King's first wife. It is a truly serene place. Spend time at the recently built Lhakang and light a butter lamp for world peace. Travel by vehicle beside the remarkable Wangdue River and be mesmerized by the glorious light blue glacial water as it reflects off the soft white sands along the shoreline. The colour of the water is amazing and is proof alone that it is one of the cleanest rivers in the world. Arrive into the spectacular spiritual capital town of Punakha.

Day 5

1 May

Today is a big travelling day in our vehicle as we head eastward to Bumthang. We make a major stop in the Trongsa – the first capital of Bhutan. Day 8

4 May

Visit Ura Valley

Bumthang is the cultural and spiritual centre of Bhutan, so here is where we can rest and soak up some of the true essence of Bhutanese religious culture. Today you will visit the quaint Ura village in one of the most picturesque valleys in Bumthang. Often considered Switzerland within Bhutan, we will visit some of our friends whom we have connected with on our past journeys. Along the way to Ura we will visit the sacred Membar Tso or 'Burning Lake' a significant spiritual experience where according to Buddhist belief, the famous Pema Lingpa, the revered treasure seeker, found ancient treasures and teachings hidden by Guru Rinpoche.

Overnight in Jakar Village Lodge, Bumthang | Meals – Breakfast, Lunch and Dinner

Day 9

5 May

Sacred Sites of Guru Rinpoche

Today we will explore another aspect of the Bumthang region and hear stories about the famous Guru Rinpoche, the revered saint who brought Buddhism to Bhutan. Today we walk to the three most auspicious temples that were significant to Padmasambhava (Guru Rinpoche). One of them is Jambay Lhakang, which was built on the same day as 108 other Lhakangs throughout Tibet and Bhutan and was restored by both Guru Rinpoche and Bhutan's first King, making it one of Bhutan's most sacred temples. Our walk takes us through tiny villages, farmlands and we enjoy meeting monks and locals along the way.

Day 12

8 May

Paro

Maybe a gentle walk today in the forest surrounding the Talkin sanctuary. The Talkin is a unique animal only found in Bhutan and legend has it it is a combination of a cow and a goat....but I will leave that to Nidup to explain. There are many hidden surprises with Bhutan and I wouldn't want to share them all before you get there!

Day 13

9 May

Hike to Taktsang

On your second last day in Bhutan, our piece de resistance is a walk up to Tigers Nest Monastery – a immersion of the senses you will never forget! Taktsang Monastery is the most famous monastery in Bhutan and is perched on the side of a cliff 900m above the Paro Valley. In Buddhism it is said that Guru Rinpoche flew here on the back of a tigress, and meditated at this place and so the monastery is called “Tiger’s Nest” (Taktsang). It is a sacred place of pilgrimage which Bhutanese people try to visit at least once in their lifetime. Rise early like the monks to visit this spectacular monastery before anyone else arrives. Spend the afternoon resting at the hotel or perhaps a Hot Stone Bath to rejuvenate your walking legs, or just absorbing your last few hours in Bhutan in the beautiful grounds of our resort.

Overnight in Khangkhu Resort, Paro
| Meals – Breakfast, Lunch and Dinner

Day 14

10 May

Depart Bhutan

Maybe you can have a morning walk before breakfast, or just spend some peaceful time in meditation with views of the valley. Our flight leaves for Bangkok mid morning.
